

The areas of discussion and consideration have included:  
(bold areas were discussed further in the Nov 10, 2021 Working Group meeting)

- **Crimes included within the registration system both of a sexual nature and those not directly related to sexual offending such as False Imprisonment and Kidnapping. Both remain in registration system.**
- **Unique concept of "Same-Set-of-Circumstances" used in Minnesota to trigger registration. Take False Imprisonment Out.**
- Reinstatement and retroactive provisions based on convictions for a "*Crime against the person*".
- **Juvenile registration with no distinction between adult and juvenile registration and whether juvenile registration is even desired. Age of 10.**
- Original purpose of registration as exclusively a law enforcement investigation tool.
- **Extension of stay of adjudication for juveniles- 12 months to 18 months or longer and more use of this avenue.**
- **The term "Predatory Offender" and whether it is an accurate or beneficial term.**
- Use of the registry as a statutory and non-statutory collateral consequence affecting areas such as bars to employment and housing restrictions particularly as used in local residency ordinances.

- **An off-ramp process to allow a registrant a process to be relieved of the registration requirement or provide a way to shorten the length of the registration requirement based on risk determination. Administrative panel. Adults and Juveniles.**
- **Limitations on statutory convictions that retrigger the registration periods. Limit to crimes against the person with some additions. Restart of registration.**
- Appropriateness of lifetime registration particularly for out-of-state registrants not reflective of Minnesota conviction standards for lifetime registration.
- The racial and economic disparities acknowledged within the criminal justice system that carry over into the registration and enforcement of registration requirements.
- **The inability to obtain information and data about how those subject to registration came onto the registry and remain on the registry.**
- Use of Mandatory Minimums for Failure to Register convictions.
- Minnesota Registration compared to Federal Sex Offender Registration and Notification Act provisions (SORNA).
- **Felony and additional 5 years for Failure to Register.**
