8.1 – Top Three to Five Changes or Areas of Improvement

| # | Change or Area of Improvement |
|---|--|
| 1 | Improve the process for training new ABE staff and evaluating current staff. |
| 2 | Increase student engagement along with postsecondary and career readiness. |
| 3 | Ensure all ABE students have access to digital literacy skill instruction and practice, and can meet standards as measured by NSDL |
| | assessments. |

8.2 – Strategies: How do you plan on addressing these changes or areas?

| # | Strategy | Led By | Who Is | Resources Needed | Timeline | Outcome(s) |
|---|--|--|--|---|---|---|
| | | | Involved | | | |
| 1 | Train staff and launch revised new ABE staff orientation checklist. Make the checklist readily available on internal "iShare" site, and adopt a consistent consortium-wide process for the implementation. | ABE Manager | Site Managers, New ABE Staff | Dedicated meeting time, Checklist and items on checklist available on internal iShare site | Fully launched by September 1, 2016 | All supervisors and new staff use the checklist as orientation. New staff have earlier and increased knowledge of DOC and facility protocols and resources. |
| | Formally adopt and "market" the new individual professional development form, then determine and implement the process for how it will be used, i.e. when it will be filled out, how much to be determined by the individual vs. their supervisor, degree to which requested PD will directly tie to the form. | ABE Manager and TPSC Coordinator | Site Managers and all ABE staff | Access to the PD form on iShare; Dedicated agenda item on monthly managers/supervisor's meeting; training for ABE staff | Agenda item for July or September meeting; training for staff in fall 2016 | All ABE staff will use this form on an annual basis to determine PD needs and plans; |

|---|--|--|--|--|--|---|
| | Create Education unit "Go To" manuals customized to each facility/site. Manuals already in place at OPH and Lino Lakes. | Lino Lakes and OPH Site Managers | Site Managers | Three ring binders; labeling; digital versions stored on iShare; access to all items identified in manual; dedicated time at each facility to customize the manual. | Agenda item for September or October management meeting; Completion by June 2017 | All DOC Education staff have access to the Go To manual and each site has at least one hard copy version. Staff confusion and inquiries about education processes and procedures |
| | Adopt a formal teacher observation tool, then implement the observation at the time of the annual performance review. In addition, continue implementing peer and/or supervisor ACES observations. | Saint Cloud Site Manager | ABE Manager, Site Managers | Dedicated time to present various models/tools; Training in the adopted tool; Hard copy materials associated with tool; Training for teachers | Review models/tools in July and August 2016. Pilots launched by Jan 2017. Full implementation by July 1, 2017 | decrease dramatically. Teachers and supervisors in sync with teaching observation expectations; Observations included in each annual performance review; Classroom instruction is improved and both supervisors and teachers more in tune with teaching and learning competencies. |
| 2 | Implement the newly created and expanded PEP that includes postsecondary and career readiness goals. Make the PEP process more collaborative between teacher & student. | TPSC Coordinator | ABE Manager, Site Managers, All ABE Teachers; ABE Students | New PEP available on iShare; Hard copies printed and available to all teachers; Training for site managers and teachers, including on | Immediate work on making PEP available; training in fall of 2016; Fully launched for new students | Visible, demonstrated increase in student engagement and feeling of "ownership" in learning plan; More focused instruction based on PEP info and |
