What to Expect When You Enter Intake

You will soon be transferred to a Minnesota Correctional Facility to begin serving your sentence.

We pledge to treat you with respect during the time you are incarcerated.

In your first days, you will learn about how you will spend your time, receive clothing, and do other basic steps in the intake process.

**Day One:**
- Photos/Fingerprints/Interview
- Unclothed body search
- Property/Inventory
- Health screening

**Day Two:**
- Orientation begins

*Within the first few days you will learn about the programs offered throughout the DOC, including job opportunities, recreation, treatment programs, educational programs, and more! You will get acclimated to the daily schedule and develop a plan to spend your time wisely.*
