RULE COMPLIANCE DETAILS

Chapter 2920 - Mandatory Rules Not In Compliance**Total: 2****1. 2920.3800 TRAINING PROGRAM. Subpart 2. In-service training program.**

It is mandatory that the facility have a yearly training plan. The facility shall provide a minimum of 16 hours per year of training to help staff meet the individual and group needs of residents. The training must be relevant to the staff member's duties. The training must be documented.

Inspection Findings:

The facility did not have a yearly training plan for 2025 and is not documenting the completed in-service training for each employee.

Corrective Actions:

Within 30 days of receipt of this report, the facility must develop and submit a training plan for the remainder of 2025. The facility must document the completed training for each employee for 2024 and 2025, which will be reviewed during a follow-up visits.

Response Needed By: 05/19/2025**2. 2920.3900 MANTOUX TEST OR CHEST X RAY REQUIRED.**

It is mandatory that staff and residents be screened for tuberculosis according to Minnesota Statutes, section 144.445.

Inspection Findings:

During a conversation with staff, they admitted that at least six residents did not have tuberculosis screening documentation in their files.

Corrective Actions:

Within 30 days of receipt of this report, all residents must have a current tuberculosis screening on file and documentation must be submitted to the Department of Corrections.

Response Needed By: 05/19/2025**Chapter 2920 - Essential Rules Not In Compliance****Total: 6****1. 2920.4000 QUALIFICATIONS OF STAFF. Subpart 5. Requirements.**

All staff shall be at least 18 years of age and have a criminal record background check before employment at the facility. A staff member may not be a resident of the program. Unpaid students and volunteers providing services are not considered staff. An adult community-based residential correctional facility may hire or retain a staff member or prospective staff member who has a felony criminal conviction. The prospective staff member must no longer be on active correctional supervision. The facility must notify the commissioner of this fact and provide relevant information about the decision.

Inspection Findings:

During a review of all facility staff background checks, one staff was identified to have a felony conviction on their record, and the facility did not notify and provide relevant information to the Department of Corrections.

Corrective Actions:

This violation has been corrected. The inspector will continue to monitor for compliance during ongoing site visits.

Response Needed By: 05/19/2025**2. 2920.4400 ADMISSION FORM.**

The adult community-based residential correctional facility referral form on each client to be admitted into residency includes at a minimum: A. name; B. address; C. date of birth; D. sex; E. reason for referral; F. whom to notify in case of emergency; G. date information gathered; H. signature of both interviewee and interviewer gathering information; I. name of referring agency of committing authority; J. special medical problems or needs; K. legal status, including jurisdiction, length, and conditions of placement; L. financial arrangements for medical care; M. financial arrangements for placement; N. present medications; O. driver's license or Minnesota state identification number; and P. vehicle title and vehicle insurance, if applicable.

Inspection Findings:

The facility does not have a referral form that includes all elements of this rule.

Corrective Actions:

Within 30 days of receipt of this report, develop and implement a referral form that includes all required elements of this rule and submit it to the Department of Corrections.

Response Needed By: 05/19/2025

3. 2920.4900 RESIDENT RECORDS. Subpart 5. Summary of resident's progress.

The record must include a summary of the resident's progress. These reports must be recorded regularly and must include the following: A. significant incidents, both positive and negative; B. changes in family situation; C. future planning; D. summary of resident's development; E. grievances, and F. disciplinary actions, if any.

Inspection Findings:

During a review of service plans and based on a conversation with staff, six files did not contain a service plan, while the two service plans reviewed met the rule requirements.

Corrective Actions:

Within 30 days of receipt of this report, the facility shall have a service plan available for all residents containing all required elements of this rule part. This will be reviewed through follow-up site visits.

Response Needed By: 05/19/2025

4. 2920.6500 DISASTERS AND EMERGENCIES; PLANS AND PROCEDURES. Subpart 2. Reporting of unusual occurrences.

Incidents of an unusual or serious nature must be reported within ten days of the incident to the Department of Corrections in a manner required by the department. Incidents of an unusual or serious nature include such incidents as: A. attempted suicide; B. suicide; C. homicide; D. death, by means other than suicide or homicide; E. serious injury or illness incurred subsequent to placement including incidents resulting in hospitalization for medical care or hospitalization associated with mental health needs; F. incidents of fire requiring medical treatment of staff or residents or a response by a local fire authority; G. riot; H. assaults of one resident by another; I. assaults of staff by resident; J. occurrences of infectious diseases and action taken relative to same when a medical authority has determined that the inmate must be isolated from other inmates; and K. sexual misconduct between residents or between staff and a resident.

Inspection Findings:

Based on a conversation with the staff, the facility is not reporting incidents of an unusual or serious nature as required.

Corrective Actions:

Within 30 days of receipt of this report, the facility must submit all reportable incidents that were not reported to the Department of Corrections from January 2024 to the present day. The facility must immediately start reporting incidents within the allotted 10 days. This will continue to be monitored through follow-up site visits.

Response Needed By: 05/19/2025

5. 2920.6500 DISASTERS AND EMERGENCIES; PLANS AND PROCEDURES. Subpart 4. Emergency notification.

In the event of an emergency such as serious illness, accident, or imminent death, the facility must notify the individuals designated by the resident. Permission for notification must be obtained from the resident prior to need, if possible.

Inspection Findings:

During a conversation with staff, the facility does not obtain a release of information form for the resident's emergency contact.

Corrective Actions:

Within 30 days of receipt of this report, the facility must obtain a release of information for all resident's emergency contacts. This will be reviewed during a site visit.

Response Needed By: 05/19/2025

6. 2920.6500 DISASTERS AND EMERGENCIES; PLANS AND PROCEDURES. Subpart 5. Resident death.

The facility must have a written policy and procedures to specify actions to be taken in the event of a resident death. The policy and procedures must include such information as: A. the date, time, and circumstances of the resident's death recorded in the resident's record; and B. the notification procedure for the Department of Corrections Inspection and Enforcement Unit.

Inspection Findings:

During a discussion with staff, it was revealed that the facility had a death and did not report it to the Department of Corrections as required.

Corrective Actions:

Within 30 days of receipt of this report, the facility must report the death in the Department of Corrections portal. The facility staff must review their policy and procedures and immediately report any death per this Rule part.

Response Needed By: 05/19/2025

INSPECTION COMMENTS

The facility will remain on biennial inspections.
