

<p>I really like to smoke weed.</p> <p><u>I know I can't be smoking weed no more, but I like my beer on the weekends.</u></p>	<p><u>Smoking crack really flares up my asthma, and asthma fucking sucks.</u></p> <p>I can't take time off from work for meetings.</p>
<p><u>I have to clean up my act.</u></p> <p><u>I got to have my GED to get the apprenticeship.</u></p>	<p>Smoking weed doesn't hurt anybody.</p> <p><u>This time I'm going to stay clean.</u></p>
<p><u>I hate that my mom is real worried about me.</u></p> <p>I just don't have time to do all these conditions.</p>	<p><u>I'm really trying to do all of these conditions.</u></p> <p>I'm not gonna take any medications.</p>
<p><u>I could do it if I tried.</u></p> <p>I don't need to meet with a psychologist, I'm not crazy.</p>	<p>Nobody is going to hire somebody with a record.</p> <p>I hate having to come up with \$17 every week just, because I have a job. I'll just quit my job then you'll have to pay my UA's.</p>
<p><u>It ain't worth it to be landing back in jail again.</u></p> <p>All my friends use Xannies (Xanax), I don't see the big deal about it.</p>	<p><u>This time, I'm going straight to the halfway house from here.</u></p> <p><u>I know I can quit if everyone just gets of my back.</u></p>

<p><u>I guess it's not smart to be cruising around at 2 in the morning.</u></p> <p><u>My twin has never been in trouble, I wish I could be more like him.</u></p>	<p><u>I wish I could get control of my anger.</u></p> <p>I need to get high just to get away for a while.</p>
<p>There's no way I'm going back to that program.</p> <p><u>I wish things could be different, because I'm not about going to jail.</u></p>	<p>There is no way I can pay restitution.</p> <p>Even if I change it up for the better, the cops have in for me.</p>
<p><u>I wish I could finally get off probation for once without executing my sentencing.</u></p> <p>I can't do all these conditions – it's impossible.</p>	<p>Yeah, I blew off my CD assessment.</p> <p><u>I just want to wake up sober in the morning.</u></p>
<p><u>I have to do something different. I am so fucking tired of all the money I spent paying on fines and probation fees.</u></p> <p><u>I definitely can't afford to get another DWI.</u></p>	<p><u>I really want to get a job.</u></p> <p><u>I know I have to stay sober while on probation, but it really is hard.</u></p>
<p><u>I need to de-friend my old dealer off my Facebook.</u></p> <p>Nobody wants to listen to me, because we're criminals.</p>	<p><u>I might be able to cut down some.</u></p> <p><u>I want to be a good mother to my kids.</u></p>

<p>Child Protection has already destroyed my life and took my kids, so I could care less about UA's.</p> <p>My UA was dirty, because the aspirin I'm taking for headaches.</p>	<p>Even though they still use in the house, I am going to stay living there, because I have nowhere else to go.</p> <p>I was clean for a whole 2 months then you violate me because of my arrest for possession. Innocent until proven guilty...huh.</p>
<p>You don't understand what it's like to be an addict, but you know what's best for me.</p> <p>I have to get to work somehow, so I'm forced to drive without a license.</p>	<p><u>Straight up, going back to prison doesn't scare me, but I didn't get to hold my daughter for 6 years when I locked up last time.</u></p> <p><u>I want to have a good job.</u></p>
<p>My kids act this way, because when I was locked up their grandparents let them do whatever.</p> <p><u>I don't know what to do...what should I do?</u></p>	<p><u>I want to be clean and sober, period.</u></p> <p><u>I am trying to make my appointment with you.</u></p>
<p>I deserve to have a joint once and awhile.</p> <p><u>I deserve a better life, and to be clean.</u></p>	<p>Honestly, I don't think I can stay off of weed until I finish probation.</p> <p><u>If I lose this job, my girlfriend is definitely going to leave me.</u></p>
<p><u>I could at least quit smoking weed until I'm off paper.</u></p> <p>If my girlfriend leaves me because I get in trouble again, I'll just start over with a new bitch.</p>	<p><u>I think if my ex sees how hard I'm trying she'll give me another chance, or at least let me visit the kids. I've got to keep trying.</u></p> <p><u>I've gotta go to A.A.</u></p>
