Employee Status Survey Reminder

Thank you to everyone who has already filled out the status survey. Minnesota Management and Budget (MMB) is requiring that state agencies, including the Department of Corrections (DOC), provide employee status information deemed critical for the ongoing management of the state during this difficult time.

MMB is requiring that all employees provide work status updates for the duration of the peacetime emergency. For those of you who haven’t yet filled out the survey, please do so now.

If you have already updated your status, please fill out the form again when your status changes. MMB is only requiring that you complete the form when you move to a different work status.

A reminder of the status options:

- Teleworking
- Working in office/field
- Out of the office on vacation
- Out sick
- Out for other reasons

You can now access the form on the home page of iShare under Employee Status Survey on the Quick Links menu:

Thank you for complying with this temporary requirement. I understand it is an inconvenience for many of you, but it is a requirement during the peacetime emergency.

Stay safe, and stay healthy.
