<sup>1</sup> A "restrictive housing admission" is an entry into a segregation-unit living assignment during the fiscal year, either as a movement from a non-segregation living assignment, or as the initial living assignment upon new commitment or release violator admission. Movements from one segregation bed to another are excluded. An individual may have more than one such admission during the fiscal year. MCF-Red Wing (adults) and MCF-Togo do not have restrictive housing units, so those residents are transferred to other facilities as needed. MCF-Red Wing juvenile data is not captured in this report, as it relates to different statutory and rule-based obligations and a fundamental difference in approach to working with juveniles.

<sup>2</sup> In April 2024, MCF-FRB Segregation unit was closed for renovation. Unit K4 D is being used for segregation at MCF-Faribault until renovations are completed.
