Internal Memo

Date: May 6, 2025

To: Incarcerated people, individuals on community supervision, and their families and loved ones

From: MRRA Project Leads

RE: MRRA Earned Compliance Credit & Supervision Abatement Policy

This memo provides updated information about the Minnesota Rehabilitation and Reinvestment Act (MRRA) and specifically addresses the recently approved Earned Compliance Credit and Supervision Abatement Policy.

Earned Compliance Credit (ECC) & Supervision Abatement (SA) Policy 206.060

The Earned Compliance Credit & Supervision Abatement policy has been finalized by the Department of Corrections. However, a bill currently before the legislature, [HF 963](#), would impact the policy if passed and signed into law. The policy is being held pending legislative changes.

Please note, this policy is designed to address the process for earning compliance credits and transitioning to supervision abatement status for people who will be released from prison *after* the policy goes into effect September 1, 2025. The policy outlines processes which are not yet available and therefore, will not result in changes for those currently on community supervision.

For People on Community Supervision and Friends and Family Members

You can access the bill at:
