Re: Corrective Action Plan Response to Annual Inspection #9141

The Minnesota Department of Corrections (DOC) Inspection and Enforcement (I&E) Unit issued a corrective action plan on June 25, 2025, regarding the above enforcement activity. The I&E Unit received your response on January 7, 2026, and reviewed the information on January 12, 2026. Based on the review, the I&E Unit has determined that the submitted information demonstrates the facility has made adequate corrections to Rules 2911.1000, 2911.4900, 2911.5500 subpart 3, 2911.7200 subpart 1, the 2911.7300 subpart 4, and 2911.7400. The facility has been working toward a solution to address the physical plant constraints under Rule 2911.0300, subpart 2, by developing plans for building a new jail; however, since the project has not begun, this rule will remain out of compliance. The I&E Unit will continue to monitor the facility's compliance with the applicable requirements as outlined in statute or rule.

Thank you for the assistance and professionalism from your staff. If you have any questions or concerns, please contact Facility Inspector Lori Schopf at lori.schopf@state.mn.us or 651-440-2720.

Thank you,

Lori Schopf
