New Business:

- Input discussion regarding psychological reports:
 - How clear and understandable are the risk assessment reports, especially the neurodevelopmental sections, in helping you make informed parole decisions?
 - Do the reports cover all relevant aspects of the individual's developmental history and current functioning, or are there additional areas you would like us to explore?
 - Are there any specific suggestions you have for improving the overall quality or utility of the reports?
- Brief discussion regarding "Role of Advocates" (Communications of CFSY and others)
