INSPECTION COMMENTS

All licensing standards were in compliance at the time of the inspection and training is current.

Although not out of compliance, it was encouraged to update the statement of intended use, grievance procedure information on the intake forms, and emergency procedures with current individuals and contact numbers.

Shelly and Wade have maintained a clean, safe, engaging, and positive environment for the residents. They are invested in the residents and encourage success as proven by the resident programming outcomes. It was a pleasure visiting the program, and if there is anything needed in the future, please call me 612-468-2027.
