Ms. Deming introduced herself and Mr. Petersen explaining that we are here to develop the strategic plan for the Board. Our goal is to know what difference the EMSRB makes in Minnesota. What are the outcomes we are trying to achieve and what is the Board’s role in these outcomes. Each Board member introduced themselves and stated a goal of an effective Board. Ms. Deming referred to the agenda she provided. She said that we are going to build on the work we started in the two other sessions. Moving toward the vision – what does it take to get there.
