

Checklist for Requesting Exam Approval

Completed by Exam Coordinator

- 1.** Refer to the “Conducting the EMT Psychomotor Examination” duties timeline to determine what needs to be done prior to requesting exam approval. Please refer to the Education Program Compliance Manual ([Education Program Compliance Manual](#)) – Starting on Page 99 in Appendix E.
- 2.** Determine the date you wish to hold your psychomotor exam.
- 3.** Complete the **top** portion of the EMT Psychomotor Exam Approval and Verification Form.
 - ~ Exam date and start time
 - ~ Double click on the box next to Initial Course and it will open another box asking if you would like the box to be checked
 - ~ Double click on the box next to Transition Course Refresher and it will open another box asking if you would like the box to be checked
 - ~ Name of Education Program conducting the exam
 - ~ Examination site is the location where the exam will actually take place
 - ~ The name of the person you have secured to be your Approved Agent or the name of the State Official
 - ~ The name of the exam coordinator and [phone number during the exam](#)
 - ~ The name of the physician medical director available for your exam
 - ~ Please check the EMSRB website:
<https://mn.gov/boards/emsrb/educational/exams/approved-agents-and-examiners.jsp> to make sure your examiners are listed as approved. A person planning to be an examiner MUST have completed the Examiner Application requirements and have received an approval from the EMSRB by the exam date. If the person is not listed as approved, please follow up with your EMSRB Specialist to ensure an application for approval has been received
- 4.** Save the document in **WORD** format.
- 5.** Send your request via e-mail to the EMS Specialist in your area.
- 6.** You will receive this form back from the EMS Specialist, via e-mail, with an approval number in the space “[Date Approved by State Official](#)”. You will also receive an Exam Roster to utilize for your exam results and reporting these results.

SAVE THESE FORMS.
