

Minnesota Emergency Medical Services Regulatory Board (EMSRB)

Schedule of Operations

Ambulance Service: ALLINA MEDICAL TRANSPORTATION, GOLDEN VALLEY

EMS#: 331

Region: Metropolitan

Service Level: Specialized Basic

1. This schedule of operations is limited to pre-arranged interfacility ambulance transportation, from health care facilities<sup>1</sup> within the area designed in #2 below, provided 24 hours per day, 7 days per week. The use of red lights and siren are prohibited en route to pick-up location.

2. Licensee may provide interfacility ambulance service to the primary service area within the county as described below:

Hennepin

The primary service area includes the following Cities:

All of Golden Valley, Plymouth, Robbinsdale, New Hope, Crystal, Maple Grove and St. Louis Park.

3. Licensee shall comply with all applicable rules governing ambulance services, including provisions of any local ordinance in effect approved by the Emergency Medical Services Regulatory Board.

4. Licensee shall request permission of the Emergency Medical Services Regulatory Board, in writing, for prior approval on any new or additional service to be provided, or changes in this schedule, which may be subject to the provisions of a change in type of services as designed in Minnesota Statute governing ambulance operation within Minnesota.

5. This schedule is subject to review by the Emergency Medical Services Regulatory Board, at a minimum, during biennial licensure renewal.

6. Licensee shall display this schedule with the current license issued by the Emergency Medical Services Regulatory Board.

---

<sup>1</sup>For purposes of this schedule of operations, a health facility means any facility licensed under 144A.51 (Hospitals, Nursing Homes, Boarding Care Homes, Psychiatric Hospitals, Outpatient Surgical Centers and Supervised Living Facilities). In addition to the facilities in 144A.51 the transportation of patients may also include facilities offering health care to the general public in which the transportation is being requested by a licensed health care professional.
