Emergency Medical Services Regulatory Board

Schedule of Operations

Ambulance Service: HEALTHEAST TRANSPORTATION, ST. PAUL

EMS #: 389

Region: Metropolitan

Service Level: Specialized Advanced

Licensee operates under the following schedule of operations:

1. This schedule of operations is limited to pre-arranged interfacility ambulance transportation, from health care facilities\(^1\) within the area designated in 2 below, using vehicles listed in the current license application form. The use of red lights and siren are prohibited en route to the pick-up location. Vehicles must display identification readily identifiable to the public as to the type of service offered by these vehicles.

2. Licensee may provide interfacility ambulance service to the primary service area within the following counties as identified below:

   Hennepin, Ramsey

   All of the cities of Minneapolis, St. Paul, Edina, Hopkins, Richfield, St. Louis Park, excluding the Minneapolis/St. Paul International Airport. The city of Maplewood east of Arcade Street, the city of White Bear Lake south of Highway 96 and west of Ramsey and Washington County border.

3. Equipment carried by vehicles during interfacility transports shall be consistent with current Minnesota Rules governing ambulance operations within Minnesota. Advanced procedures or equipment shall not be used while specified vehicles are in service as BLS units, unless appropriate variances are received from the Emergency Medical Services Regulatory Board. Licensee may respond to ALS emergency runs performed in accordance with written backup agreements with other licensed ALS providers. Copies of these agreements must be filed with the Emergency Medical Services Regulatory Board prior to the initiation of the agreement(s).

4. Licensee shall comply with all applicable rules governing ambulance services, including provisions of any local ordinance in effect approved by the Emergency Medical Services Regulatory Board.

5. Licensee shall request permission of the Emergency Medical Services Regulatory Board, in writing, for prior approval on any new or additional service to be provided, or changes in this schedule,\(^1\)

---

\(^1\)For purposes of this schedule of operations, a health facility means any facility licensed under 144A.51 (Hospitals, Nursing Homes, Boarding Care Homes, Psychiatric Hospitals, Outpatient Surgical Centers and Supervised Living Facilities). In addition to the facilities in 144A.51, the transportation of patients may include facilities offering health care to the general public in which the transportation is being requested by a licensed health care professional.
which may be subject to the provisions of a change in type of service as designated in Minnesota Statute governing ambulance operation within Minnesota.

6. This schedule is subject to review by the Emergency Medical Services Regulatory Board, at a minimum, during biennial licensure renewal.

7. Licensee shall display this schedule with the current license issued by the Emergency Medical Services Regulatory Board.
