Minnesota Emergency Medical Services Regulatory Board (EMSRB)

Schedule of Operations

Ambulance Service: NORTH AMBULANCE SERVICE, ROBBINSDALE
EMS#: 158
Region: Metropolitan
Service Level: Specialized Advanced

1. This schedule of operations is limited to pre-arranged inter-facility ambulance transportation from healthcare facilities with the area designated in #2 below to another healthcare facility. Any request for inter-facility ambulance transportation shall be pre-arranged for at least 30 minutes after receipt of the initial request for service. Exception to this provision shall be noted for the Department of Health review. The use of red lights and siren are prohibited en route to a pick-up location. This will be appropriately noted on the required trip report form as to time called, time en route, and arrival at scene.

2. Licensee may provide inter-facility ambulance service to the primary service area within the following Counties as identified below:

Hennepin, Anoka, Ramsey
All of Hennepin County with the exception of Minnestria, St. Bonifacious, Mound, that portion of Chanhassen located in Hennepin County, and Shorewood (west of the boundary of Highway 19 to Country Club Road, South to Tee Terrace to Wood Drive to Highway 7).  All of Anoka County excluding the corporate limits of the cities of Lino Lakes, Columbus, Circle Pines, and Lexington.  All of Ramsey County with the exception of the corporate limits of the cities of White Bear Lake, Gem Lake, White Bear Township, North St. Paul and the City of Maplewood.

3. Equipment carried by vehicles during inter-facility transports shall be consistent with current Minnesota Statutes and Rules governing ambulance operation within Minnesota.

4. Licensee shall comply with all applicable rules governing ambulance services, including provisions of any local ordinance in effect approved by the Emergency Medical Services Regulatory Board.

5. ALS inter-facility trip report forms shall be forwarded to the Emergency Medical Services Regulatory Board for compliance review, as determined by the Emergency Medical Services Regulatory Board.

6. Licensee shall request permission of the Emergency Medical Services Regulatory Board, in writing, for prior approval on any new or additional service to be provided, or changes in this schedule, which may be subject to the provisions of a change in type of services as designed in Minnesota Statutes and Rule governing ambulance operation within Minnesota.

7. This schedule is subject to review by the Emergency Medical Services Regulatory Board, at a minimum, during biennial licensure renewal.

8. Licensee shall display this schedule with the current license issued by the Emergency Medical Services Regulatory Board.

1For purposes of this schedule of operations, a health facility means any facility licensed under 144A.51 (Hospitals, Nursing Homes, Boarding Care Homes, Psychiatric Hospitals, Outpatient Surgical Centers and Supervised Living Facilities).  In addition to the facilities in 144A.51 the transportation of patients may also include facilities offering health care to the general public in which the transportation is being requested by a licensed health care professional.
