

Minnesota Emergency Medical Services Regulatory Board (EMSRB)

SCHEDULE OF OPERATIONS

Ambulance Service: Westbrook Ambulance Association, Westbrook

EMS #: 1716

Region: Southwest

Service Level: Specialized Advanced

Terms of Specialized Advanced Ambulance License:

1. This schedule of operations is limited to pre-arranged specialized patient transfers from Westbrook Health Center, Westbrook, Minnesota, to other accepting facilities on an as requested pre-arranged basis.
2. The licensee shall have available in pre-packaged and portable form, all required advanced equipment, 24 hours a day, 7 days a week, for use during interfacility transportation.
3. Registered nurses may substitute for paramedic attendants, if the medical director certifies that appropriate training and authorization in the use of all equipment carried on specialized advanced ambulances has been completed. Documentation of training and authorization must be kept in the licensee's file.
4. Licensee shall comply with all applicable rules governing ambulance services, including provisions of any local ordinance in effect approved by the Board.
5. Licensee shall request permission of the Board, in writing, for prior approval of any new or additional services to be provided, or changes in this schedule of operations, which may be subject to the provisions of a change in type of services as stated in Minnesota Statute governing ambulance operations within Minnesota.
6. This schedule is subject to review by the Board at a minimum at time of biennial license renewal.
7. Licensee shall display this schedule with the license issued by the Board.

Effective Date: 7/22/98
