To whom it may concern:

I grant the Minnesota Department of Natural Resources (DNR) permission to use my photographs in the publications of the Minnesota Forest Resources Council (MFRC). I, using my personal devices, took these photographs, and they are not subject to any other copyright. As needed, the DNR may credit these photos using my name (e.g., Photo Credit: Smokey T. Bear). The DNR may also contact me directly to consult with me about future use of these photographs for other MFRC or DNR publications or further distribution.

Thank you,
