

FY2025 STAR RATING REPORT

Minnesota Gambling Control Board

Each licensed organization is evaluated by the Gambling Control Board to determine a rating based on a of the amount spent on lawful purpose expenditures (LPE) during the fiscal year to the net receipts (gross receipts less prizes paid) earned during that fiscal year. Lawful purpose expenditures include charitable contributions, payments to local units of government, lawful gambling taxes, licensing and regulatory fees, and building expenses related to veteran and fraternal organizations (Minnesota Statute 349.12 Subd. 25).

Organizations are evaluated according to the following criteria.

<u>% Spent LPE</u>	<u>Rating</u>
50% or more	- 5 stars
40% or more	- 4 stars
30% or more	- 3 stars
20% or more	- 2 stars
Less than 20%	- 1 star

Organizations with less than a three-star rating are placed on probationary status. Probationary organizations must increase their rating to three or more stars by the end of the following fiscal year to avoid possible sanctions.

Exception: An organization that conducts lawful gambling exclusively at a location where the primary business is bingo must be rated at two or more stars to avoid probation and possible sanctions.
