Introduction

Reference Guide

This *Lawful Gambling Manual* is intended to be a reference guide for organizations that conduct lawful gambling.

Review of Statutes and Rules Important

Although this manual outlines and summarizes the basics of running a gambling operation based on statute and rule, it is important that organizations be thoroughly familiar with the content of the statutes and rules that govern the conduct of lawful gambling.

Future changes to statutes and rules may affect references in this manual. The manual will be periodically updated to reflect statute and rule changes.
