

Booth- and Bar-Op Break-In

Two Minneapolis bars were broken into during the night of 3/17/2020, one of which conducted charitable gambling. The gambling site typically has a paper pull-tab booth operation and an electronic pull-tabs bar-operation. During the break-in, booth drawers were pried open and the safe broken into. Fortunately for the gambling operation they had removed all cash and inventory from the site during the afternoon preceding the break-in. The bar owner, however, was not so fortunate as the (bar supplied) cash bank provided for the electronic pull-tabs was stolen from the bar's safe.

If your organization gambling operation is the victim of a burglary, notify the Minnesota Gambling Control Board at 651-539-1900 immediately.
