

MINNESOTA GAMBLING CONTROL BOARD

FY2013 LAWFUL PURPOSE STAR RATING

Alphabetical by Organization

Each licensed organization is evaluated by the Gambling Control Board to determine a rating based on the percentage of its annual gross profits (gross receipts less prizes paid) spent on lawful purpose expenditures (LPE).

Lawful purpose expenditures include charitable contributions, payments to local units of government, lawful gambling taxes, and building expenses related to veteran and fraternal organizations (Minnesota Statute 349.12 Subd. 25).

Organizations are evaluated according to the following criteria.

<u>% Spent LPE</u>	<u>Rating</u>
50% or more	5 star ★★★★★
40% or more	4 star ★★★★★
30% or more	3 star ★★★★★
20% or more	2 star ★★★★★
Less than 20%	1 star ★★★★★

Organizations with less than a three star rating are placed on probationary status. Probationary organizations must increase their rating to three or more stars by the end of the following fiscal year to avoid possible sanctions.

Exception: An organization that only conducts lawful gambling in a location where the primary business is bingo must be rated at two or more stars to avoid probation and possible sanctions.
