

Minnesota Gambling Control Board 2014 Legislative Summary

Electronics

- Extends current laws related to lawful gambling fraud to cover electronic pull-tab and electronic linked bingo devices. Penalizes a person who alters or attempts to alter a device or component used in the conduct of play of either of these games. It also prohibits unauthorized possession of the devices. (609.763, *subd. 1*)
Effective date: August 1, 2014.

Raffles

- Allows for a raffle to be conducted in conjunction with a deer or wild game contest, and on the same ticket as is allowed for ice fishing contests. (349.173)
Effective date: August 1, 2014.
