

# SNAPSHOT | Governor Dayton's 2015 Jobs Proposal

## *2015 Budget for a Better Minnesota*

Governor Dayton has introduced an \$842 million Jobs Bill that would make critical investments in infrastructure projects statewide, creating more than 23,900 Minnesota jobs. This new Jobs Bill would help address many of the state's critical infrastructure needs, while strengthening Minnesota's economy and getting people back to work. This snapshot breaks down the projects that would be completed under Governor Dayton's proposal, sorted by county.
