

SNAPSHOT | Investing in Railroad Safety

2015 Budget for a Better Minnesota

If passed, Governor Dayton’s transportation plan would provide local governments with the resources they need to respond to local infrastructure needs caused by increased railway traffic. By modernizing property taxes paid by railroads, the proposal would provide \$45 million every year for cities, counties, and townships to fund their own local priority rail infrastructure improvements.

New Railroad Tax Revenues, by County

County	New Revenue
Aitkin	108,648
Anoka	443,164
