### Emergency Executive Order 21-15

#### **Modifying Emergency Executive Order 20-42 and Continuing to Protect Eligibility for Essential Human Services Programs**

**I, Tim Walz, Governor of the State of Minnesota**, by the authority vested in me by the Constitution and applicable statutes, issue the following Executive Order:

The COVID-19 pandemic continues to present an unprecedented and rapidly evolving challenge to our State. Minnesota has taken extraordinary steps to prevent and respond to the pandemic.

On March 13, 2020, I issued Executive Order 20-01 and declared a peacetime emergency because this pandemic, an act of nature, threatens the lives of Minnesotans, and local resources are inadequate to address the threat. Since declaring the peacetime emergency, I have extended it every 30 days.

The COVID-19 pandemic has caused many Minnesotans to suffer economic hardship as the result of job loss, reduction in hours of employment, and a reduction in available employment opportunities. In Executive Order 20-42, I ordered that when determining eligibility for programs administered by the Minnesota Department of Human Services (“DHS”), payments to eligible individuals and families made under the federal Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”), as well as payments made by state, local, and tribal government entities to relieve the adverse economic impact caused by the COVID-19 pandemic, must not be counted as income, assets, personal property, or resources, subject to any necessary approval.

In Executive Order 21-03, I ordered that, when determining eligibility for programs administered by DHS, payments to eligible individuals and families made under the federal Consolidated Appropriations Act, 2021 (“CAA”), as well as Pandemic Unemployment Assistance payments made to high school students under the CARES Act and extended by the CAA must not be counted as income, assets, personal property, or resources, subject to any necessary approval.

To provide additional economic security, the federal American Rescue Plan Act of 2021 (“ARPA”) enacted on March 11, 2021, authorized relief in the form of stimulus payments of up to \$1,400 per eligible individual, advance payments of the child tax credit, emergency rental assistance payments, homeowner assistance funds, and pandemic relief payments for tribal members. Emergency rental assistance payments were also authorized under the CAA but were

not originally included in Executive Order 21-03. Under the ARPA, as under the CAA and the CARES Act, these relief payments are not counted as income for federally funded assistance programs. Under current state law and as noted in Executive Order 20-42, receipt of federal, tribal, state, county, or local government COVID-19 relief payments may make individuals ineligible for certain human services programs administered by DHS. Counting the receipt of certain federal, tribal, state, county, or local government payments provided for COVID-19 relief as income, assets, personal property, or resources when determining eligibility for human services programs administered by DHS would endanger the public health and cause severe hardship to Minnesotans who need these programs at this difficult time.

In Minnesota Statutes 2020, section 12.02, the Minnesota Legislature conferred upon the Governor emergency powers to “(1) ensure that preparations of this state will be adequate to deal with disasters, (2) generally protect the public peace, health, and safety, and (3) preserve the lives and property of the people of the state.” Pursuant to Minnesota Statutes 2020, section 12.21, subdivision 1, the Governor has general authority to control the state’s emergency management as well as carry out the provisions of the Minnesota Emergency Management Act. Pursuant to Minnesota Statutes 2020, section 12.21, subdivision 3(1), the Governor may “make, amend, and rescind the necessary orders and rules to carry out the provisions” of the Minnesota Emergency Management Act. When approved by the Executive Council and filed in the Office of the Secretary of State, such orders and rules have the force and effect of law during the pendency of a peacetime emergency. Any inconsistent rules or ordinances of any agency or political subdivision of the state are suspended during the pendency of the emergency.

For these reasons, I order as follows:

1. Paragraph 1 of Executive Order 20-42, as amended by Executive Order 21-03, is further amended to add the following sub-paragraphs g, h, i, j, and k (indicated by underlined text):
  - g. Federal stimulus payments of up to \$1,400 to eligible individuals authorized under the American Rescue Plan Act of 2021.
  - h. Advance payments of the child tax credit authorized under the American Rescue Plan Act of 2021.
  - i. Emergency rental assistance payments authorized under the Consolidated Appropriations Act, 2021, Division N, Title V, Subtitle A, section 501, and the American Rescue Plan Act of 2021, section 3201, subject to any necessary federal approval.
  - j. Homeowner assistance funds authorized under the American Rescue Plan Act of 2021, section 3206, subject to any necessary federal approval.
  - k. Payments issued to tribal members to relieve the adverse economic impact caused by the COVID-19 pandemic authorized under the American Rescue Plan Act of 2021, sections 11002 and 11003, subject to any necessary federal approval.

2. All other provisions of Executive Orders 20-42 and 21-03 remain in full force and effect.

Pursuant to Minnesota Statutes 2020, section 4.035, subdivision 2, and section 12.32, this Executive Order is effective immediately upon approval by the Executive Council. It remains in effect until the peacetime emergency declared in Executive Order 20-01 is terminated or until it is rescinded by proper authority.

A determination that any provision of this Executive Order is invalid will not affect the enforceability of any other provision of this Executive Order. Rather, the invalid provision will be modified to the extent necessary so that it is enforceable.

Signed on March 26, 2021.
