Assessment of Actual Results and Action to be Taken:

Included with this report is a spreadsheet with all the student OSS information requested in #4 of our agreement. School are implementing plan components as directed in the final plan. Both parent and student feedback groups need to be engaged and feedback compiled this spring (2019). We are projected reduced OSS for the 2018/19 school year. To date, African American and Special Education students have spent less time out of class for OSS than the previous two years. We also updated our Policy 413 Harassment and Violence reporting form and electronic routing procedure February 2019.
