

Global Academy
Semi-Annual Report to the Minnesota Department of Human Rights (MDHR)
Due by August 1, 2020
Case # 68110

Global Academy is submitting this semi-annual report to the MDHR per the agreement signed between MDHR and the school on October 1, 2018. *This is the final report required by Global Academy's agreement with the MDHR.*

PART I

The agreement stipulates that at minimum the report shall included the following:

- a. The Charter School's intended outcomes for its Plan;
- b. Specific steps the Charter School took to implement its Plan;
- c. Metrics the Charter School developed to measure the effectiveness of its Plan; and
- d. Any changes implemented by the Charter School in light of results in the reporting period.

Each requested area of information is reported below.

A. The Charter School's intended out for its Plan.

Global Academy's intended outcome is to reduce suspensions to meet the target goals established in the agreement. The school met its goal for the 2019-2020.

- Plan reviewed for budget for next fiscal year by March 30
The administrative team recommended continuing funding for our PBIS program.
- Administrative team recommendations created by June 15
No new recommendations.
- Review of Trimester 3 discipline data completed by June 15
The team reviewed the Trimester 3 discipline data on June 1, 2021. The school met its goal for discipline referrals as set forth in our strategic plan.
- Review of OSS data and analysis of metric goals; establish new protocols if not met by June 30
The goal was met.
- OSS guidelines developed for Family Handbook by July 1
No change recommended for current guidelines.
- Semi-annual data report sent to MDHR by this date August 1
The report was submitted by August 1, 2021.
- OSS data information systems in place by August 1
The school will continue to use the systems currently in place.

C. Metrics the Charter School developed to measure the effectiveness of its Plan

The only metric in this plan that is measured is out-of-school suspensions. As shown above, the school met its targets for the FY21 school year.

D. Any changes implemented by the Charter School in light of results in the reporting period.

None

PART II

The agreement also stipulates that the semi- annual report will include:

- a. Number of suspensions, exclusions, and expulsions during the reporting period;
- b. A brief description of the reason for each suspension, exclusion, and expulsion; and
- c. Disaggregated data showing the breakdown of each disciplinary incident identified in the report by race, ethnicity, national origin, gender, and disability status.
