This scholar was removed from our EWC program due to repeated behaviors that were unsafe for the student, other students and staff. The behaviors consisted of physical aggression to staff, major property damage, elopement as well as not following the policy in place (wearing a facemask while in the building, social distancing, hand washing) for social distancing due to the pandemic. Multiple interventions were attempted before dismissal from the EWC program which consisted of social emotional regulation breaks, the curriculum for social emotional tier 2 intervention, daily progress monitoring with the student and their guardian as well as providing the scholar with one to one support. The behaviors were continuing to be displayed.
