

Minnesota Transitions Charter School

Racial Equity Policy

RACIAL EQUITY PURPOSE

Minnesota Transitions Charter Schools (MTCS) students deserve respectful learning environments in which their racial and ethnic diversity is valued, celebrated, and integrated into student learning, contributing to successful academic outcomes.

This policy confronts the the systemic institutional racism common in the American education system that results in predictably lower academic achievement for students of color than for their white peers. Eliminating institutional racism will increase achievement, including on-time graduation, for *all* students, while narrowing the gaps between the highest- and lowest-performing students.

MTCS acknowledges that complex societal and historical factors contribute to the inequity within any school district. Nonetheless, rather than perpetuating the resulting disparities, MTCS has chosen to address and overcome this inequity and institutional racism, providing all students with the support and opportunity to succeed.

1. ELIMINATE SYSTEMATIC DISPARITIES

To interrupt systems that perpetuate inequities, MTCS will:

- A. Invite and include people from all races and ethnicities to examine issues and find adaptive solutions, which address the root causes and systems, rather than technical solutions, which provide one-time, situational fixes;
- B. Develop the personal, professional, and organizational skills and knowledge of its employees to enable them to address the role and presence of racism; and
- C. Eliminate practices that result in predictably lower academic achievement for any student racial group compared to peers.

2. ENSURE SYSTEMIC EQUITY

MTCS will implement and lead from a system-wide racial equity plan that stands on three critical pillars: Family, Student and Community Engagement; Leadership; and Teaching and Learning.

- A. Family, Student and Community Engagement
 - a. MTCS employees will develop and implement equitable practices for and with our students, their families and other community members including:
 1. Intentionally seeking and including students' multiple racial perspectives in the development and implementation of culturally responsive teaching and learning practices and curriculum;
 2. Engaging family and community members with staff and students, district-wide and at school and program sites, in the development and implementation of culturally appropriate and effective partnerships between home and school; and
 3. Inviting and including community members to bring multiple cultural perspectives to examining and solving issues that arise.

B. Leadership

- a. MTCS leaders will ensure that racial equity guides employee actions and leads to improved academic results by:
 1. Recruiting, employing, supporting, retaining and continuously developing a workforce of racially conscious and culturally competent administrative, instructional and support personnel;
 2. Modeling racial equity in business practices;
 3. Replacing inequitable operational practices with systems that support implementation of this policy, and
 4. Focusing accountability systems and metrics on racially equitable results.

C. Teaching and Learning

- a. MTCS employees will work together to increase their individual and collective capacity to effectively teach a racially and ethnically diverse and changing student population by:
 1. Ensuring a positive and academically rigorous school environment that engages all students;
 2. Collaborating as teachers and administrators to create and implement culturally responsive instructional practices, curriculum and assessments; and
 3. Eliminating practices that lead to the over- or underrepresentation of any student racial group compared to peers.
 4. Engaging educators in reflection and dialogue around implicit biases and deep rooted values/beliefs that may unintentionally perpetuate systemic racism.

3. IMPLEMENTATION AND MONITORING

- A. Under the direction of the MTCS Governing Board the Superintendent will develop and implement a system-wide racial equity plan with clear accountability and metrics, which will result in measurable academic improvements for MTCS students. The racial equity plan will be incorporated into the MTCS strategic plan which will also include the following: the goals and objectives in the Pillsbury United Communities charter authorizer agreement, the plan for Title and Special Education funds, World's Best Work Force, Q Comp plan, and the Minnesota Department of Human Rights agreement. The Superintendent shall provide quarterly reports to the board on the progress on the plan and outcomes.
