

MTCS Elementary Program Pillsbury Goals

Banaadir Academy Pillsbury Goals

Preliminary Goals

1.) Academic Goal for Math which can be either a growth or proficiency goal
During 2020-2021 school year, 60% of all continuously enrolled K-6 students as of October 1, 2020, and having taken a fall and spring NWEA, will meet or exceed expected NWEA RIT growth targets in Math.

2.) Academic goal for Reading which can be either growth or proficiency
During 2020-2021 school year, 55% of all continuously enrolled K-6 students as of October 1, 2020, and having taken a fall and spring NWEA, will meet or exceed expected NWEA RIT growth targets in Reading.

3.) An Equity, Social Emotional Learning goal

Assuming 4 more suspensions....

In SY18, Banaadir Academy had a suspension rate of .136 (35/258) suspensions per student. By the end of the contract (SY21) Banaadir Academy will have a suspension rate of less than .10 per student. In addition, subjective suspensions will account for less than 5% (.028%) of all suspensions.

6.) Consistent Attendance Goal

Banaadir Academy will have a 95% or better student attendance rate each year of the contract as measured on the MARSS state data reporting system. The MTSS Team will use monthly data from the Administrative Assistant to identify and reach out to families needing support.

7.) Parent Satisfaction, Marketing, or Parent Events goal

Banaadir Academy will hold a minimum of 5 parent and family events per year. Banaadir Academy will have an attendance rate for Parent Teacher Conferences of at least 80%. Other parent / family events to be held at Banaadir Academy include Title 1 Family Nights, Parent Education Nights, and the Annual Banaadir Family Picnic.

MTS Elementary Pillsbury Goals

Preliminary Goals

Math:

- At least 50% of students who are continuously enrolled from October 1 will meet or exceed their Growth Targets on the Measures of Academic Progress (MAP) test in math.

Reading:

- At least 50% of students who are continuously enrolled from October 1 will meet or exceed their Growth Targets on the Measures of Academic Progress (MAP) test in reading.

Equity/Social Emotional Learning:

- All school staff will participate in monthly, professional development with Wendy Selnes, Senior Behavior Analyst at Brih Design. This professional development will address the social and emotional needs our students exhibit to better equip staff in supporting each student and improving academic engagement.

Attendance Goal:

- MTS Elementary will have a 95% or better student attendance rate each year of the contract as measured on the MARSS state data reporting system. The MTSS Team will use monthly data from the Administrative Assistant to identify and reach out to families needing support.

Parent Satisfaction, Marketing or Parent Events Goal:

- School Administration and staff will hold monthly gatherings to promote open communication between families and school staff. Ideas, questions and concerns from family members will be heard and addressed. Strategies to support student learning at home will be shared.
