

# Elementary Restorative Practices Plan 2019-2020

---

**Purpose:** To provide Restorative Practices training and support to each elementary building. Restorative Approaches can transform student behavior and build healthy school communities.

**Goal:** Restorative Approaches are about making, maintaining, and repairing relationships. The goal in using Restorative Approaches is to keep students engaged, connected, and focused on learning.

**Support/Coaching:** Catherine Cranston has created a [Menu of options](#) for individual coaching and support in buildings. Professional development can be provided for individual classroom teachers, small groups, or with an entire staff. Catherine will be available to work in person to model Restorative Practices strategies. She will also provide videos for additional training.

**Bus Driver Training/Support:** Catherine will be working with bus drivers this year to provide Restorative Practices training. She will be the link between behavior teams and the drivers. Here is the [link](#) to the plan.
