Saint Paul, MN 55155

VIA EMAIL ONLY

Dear Commissioner Lucero,

This is Independent School District No. 625's partial amended first and second semi-annual report to the Minnesota Department of Human Rights (MDHR) pursuant to the Collaboration Agreement entered into by the parties on June 14, 2018. This amended partial report is being provided in response to MDHR's request for quarterly totals of each resolution<sup>1</sup> previously identified (e.g., dismissal, less than one half day; dismissal, more than one half day; In School Suspension, and Suspension) in the summary data provided to MDHR pursuant to the parties Agreement.<sup>2</sup>

Pursuant to MDHR's request, please find enclosed the summary data, as identified in the parties Collaboration Agreement, for Quarters 1, 2, 3, and 4 of the 2018-19 school year, as well as the totals of each resolution by quarter.<sup>3</sup>

In addition, while fulfilling this supplemental request, the District noticed an error in its reporting from Quarter 2 of the 2018-19 school year. Inadvertently, the District aggregated the data from Quarters 1 and 2 but reported it as a single quarter – Quarter 2. Accordingly, the District has disaggregated that data by quarter and is reporting the agreed-upon summary data for Quarter 2 of the 2018-19 school year.

Please let me know if you have any questions.

Sincerely,

  
Jamie Jonassen

<sup>1</sup> Though the parties did not agree that these totals would be reported in their Agreement, the District recognizes that the data requested is public data under Minn. Stat. Chap. 13 and has no objection to its production.

<sup>2</sup> When the resolutions are disaggregated by school site or when the events are disaggregated, an asterisk (\*) is used when fewer than 20 of each event or resolution had occurred during the quarter, so as to avoid the risk of identifying any particular student, incident, or resolution.

<sup>3</sup> Any data for the 2018-19 school year prior to August 31, 2019, is preliminary discipline data. Accordingly, the final Quarter 1 data attached hereto will appear different than the preliminary Quarter 1 data provided in the District's March 1, 2019, report.
