Picnic Wrap-up

The weather for this year’s Family Council Picnic was spectacular! There was a brilliant blue sky, a few puffy white clouds, and a warm 70-degree temperature. A perfect summer day in Minnesota! Picnic festivities were held in the Building 19 Community Room, Atrium, and Courtyard. Even though there were fewer picnic goers this year, the sounds of lively conversations and laughter were loud and nonstop. Back by popular demand, hamburgers and cheeseburgers from White Castle were provided by the Family Council. In addition to the burgers, families provided every kind of potluck food including salads and hot-dishes, fried chicken, jello, fruit, and lots of delicious desserts. All of which filled the tables, and us 😊.

The annual competition continued again this year, with families from Building 21 winning the game, “Are you Smarter than a Fifth Grader”. Five folks won in the drawing for $25 Target Gift Cards. A special thanks to Rick Gravrok, who charmed children and adults alike with HUGE bubbles. Another special thanks to, and who was also back by popular demand, Nathan Wallan, who entertained us with nostalgic melodies on his accordion. One last special thanks to members of the Vettes for Vets Club of Shakopee, who arrived in their vintage Corvettes and served up root beer floats to all.
