Our Treasured Volunteers

Our volunteers play an important role and contribute significantly to the success of our Home. By sharing smiles, laughter, friendly conversations, or assisting with activities, they improve the quality of life and morale for Residents and staff alike.

Our Veterans and their spouses are assisted by volunteers on a daily basis for activities such as: bingo, bowling, meal outings, baseball games, football games, theme parties, and much more – all thanks to the generous donations of time and money from our community & Veterans service groups.

You can play a key role in helping us to help those who have served. If you or someone you know would like to volunteer or make a donation, **please contact the Volunteer Services Department at (218) 321-2507.**
