

HEROES AT HOME

A special newsletter during COVID-19 to recognize *heartwarming stories* & the *hard-working* staff in our healthcare division

Bananas OVER OUR STAFF

During Fergus Falls' weekly Town Hall meeting, chocolate and bananas were handed out to all staff. And yes, that's Administrator Scott Buchanan in the life-sized banana costume! The bottom line... this group is BANANAS for their staff. They were thanked a BUNCH, and leadership let them all know they are APPEALING.

Submitted by Kathy Lehn and Scott Buchanan.

 would like to nominate,
 please submit to Michael Anderson.*

JULIA MATHEWS

Julia has been instrumental in keeping us organized... recording and tracking all the changes made over the course of the COVID-19 pandemic response. Her spreadsheets were vital to tracking the mass amounts of new data needed. She also continues to do an outstanding job creating communications and letters that are sent to staff and Residents. Without Julia keeping the 'back of the house' organized and running, we would be in a difficult spot
