VETERANS HOMES

WHERE EVERY DAY IS VETERANS DAY

WELCOME HOME

The Minnesota Veterans Homes are dedicated to serving Minnesota Veterans and their families by providing high-quality skilled nursing, domiciliary and adult day healthcare.

Our legacy began in the late 1800s when the Old Soldiers Home was built for Veterans of the Civil War. Then in the 1960s, healthcare became a primary focus of our organization. Over the years, a variety of specialized services have been added to meet the needs of our Residents. Our eight Minnesota Veterans Homes are designed to ensure that our nation's heroes and their spouses can live in a caring community that enriches their lives.

Our Homes provide care according to the individual needs of each Resident. We operate 24/7 facilities that offer a combination of skilled nursing care with special care units focused on dementia, Alzheimer's, domiciliary care, rehabilitation services, recreational therapy and work therapy.

Admission Requirements

All Residents must have a clinical need for the care desired. Eligible residents include:

- Veterans discharged under honorable conditions from any branch of the U.S. armed forces and a current resident of Minnesota, who served 181 consecutive days on active duty, unless discharged earlier because of disability incurred in the line of duty.
- Spouses of eligible Veterans, who must be at least 55 years old and meet residency requirements.
- Veterans or Veteran spouses who meet the definitions included in Minn. Stat. 197.447.
