RE: Legislative Report on Expenditures of Capital Project Appropriations (2026)

Dear Senator Marty, Representative Frazier, and Representative Torkelson:

Minnesota Statutes, Section 16A.501(a) requires the Commissioner of Management and Budget to annually report to the chairs of the Senate Finance Committee and the House Ways and Means Committee on the degree to which entities receiving any appropriation for capital projects in previous omnibus capital investment acts have encumbered or expended that money.

Attached is the January 2026 Report on Expenditures of Capital Project Appropriations. Projects listed on this report represent all activity reported through the state's current accounting system (SWIFT) since that system went live on July 1, 2011. All expenditures occurring before this date were reported on previous Reports on Expenditures of Bond Proceeds, which are available on the MMB website.

Questions regarding this report may be directed to Jennifer Hassemer, Assistant Commissioner for Debt Management at (651) 201-8079.

Sincerely,

A handwritten signature in black ink that reads 'Erin M. Campbell'.

Commissioner
