If the Grant Recipient elects to sell its interest in the Real Property and the damaged Facility, if such exists, then such sale must occur within a reasonable time period from the date the damage occurred and the cumulative sum of the insurance proceeds plus the proceeds of such sale must be applied in accordance with the provisions contained in Section 3.03, with the insurance proceeds being so applied within a reasonable time period from the date they are received by the Grant Recipient.
As loss payee under the insurance required herein the State Entity agrees to and will assign or pay over to the Grant Recipient all insurance proceeds it receives so that the Grant Recipient can comply with the requirements that this Section 5.01 imposes upon the Grant Recipient as to the use of such insurance proceeds.

If the Grant Recipient elects to maintain general comprehensive liability insurance regarding the Real Property and Facility, if such exists, then the Grant Recipient shall have the State Entity named as an additional named insured therein.

At the written request of either the State Entity or the Commissioner of Management and Budget, the Grant Recipient shall promptly furnish thereto all written notices and all paid premium receipts received by the Grant Recipient regarding the required insurance, or certificates of insurance evidencing the existence of such required insurance.

Section 5.02 Condemnation. If all or any portion of the Real Property and, if applicable, the Facility is condemned to an extent that the Grant Recipient can no longer comply with the provisions contained in Section 2.03, then the Grant Recipient shall, at its sole option and discretion, either: (i) use or cause the condemnation proceeds to be used to acquire an interest in additional real property needed for the Grant Recipient to continue to comply with the provisions contained in Section 2.03 and, if applicable, to fully or partially restore the Facility and to provide or cause to be provided whatever additional funds that may be needed for such purposes, or (ii) sell the remaining portion of its interest in the Real Property and, if applicable, the Facility in accordance with the provisions contained in Section 3.02. Any condemnation proceeds which are not used to acquire an interest in additional real property or to restore, if applicable, the Facility shall be applied in accordance with the provisions contained in Section 3.03 as if the Grant Recipient’s interest in the Real Property and, if applicable, the Facility had been sold, and such amounts shall be credited against the amounts due and owing under Section 3.03 upon the ultimate sale of the Grant Recipient’s interest in the Real Property and, if applicable, the Facility. If the Grant Recipient elects to sell its interest in the portion of the Real Property and, if applicable, the Facility that remains after the condemnation, then such sale must occur within a reasonable time period from the date the condemnation occurred and the cumulative sum of the condemnation proceeds plus the proceeds of such sale must be applied in accordance with the provisions contained in Section 3.03, with the condemnation proceeds being so applied within a reasonable time period from the date they are received by the Grant Recipient.

As recipient of any of condemnation awards or proceeds referred to herein, the State Entity agrees to and will disclaim, assign or pay over to the Grant Recipient all of such condemnation awards or proceeds it receives so that the Grant Recipient can comply with the requirements which this Section 5.02 imposes upon the Grant Recipient as to the use of such condemnation awards or proceeds.

Section 5.03. Use, Maintenance, Repair and Alterations. The Grant Recipient shall not, without the written consent of the State Entity, permit or suffer the use of any of the Real Property and, if applicable, the Facility, for any purpose other than the use for which the same is intended as of the effective date of this Agreement. In addition, the Grant Recipient; (i) shall keep the Real Property and, if applicable, the Facility, in good condition and repair, subject to reasonable and ordinary wear and tear, (ii) shall not, written consent of the State Entity, remove, demolish or
substantially alter (except such alterations as may be required by laws, ordinances or regulations) any of the Facility, if applicable, (iii) shall not do any act or thing which would unduly impair or depreciate the value of the Real Property and, if applicable, the Facility, (iv) shall not abandon the Real Property and, if applicable, the Facility, (v) shall complete promptly and in good and workmanlike manner any building or other improvement which may be constructed on the Real Property and promptly restore in like manner any portion of the Facility, if applicable, which may be damaged or destroyed thereon and pay when due all claims for labor performed and materials furnished therefor, (vi) shall comply with all laws, ordinances, regulations, requirements, covenants, conditions and restrictions now or hereafter affecting the Real Property and, if applicable, the Facility, or any part thereof, or requiring any alterations or improvements thereto, (vii) shall not commit or permit any waste or deterioration of the Real Property and, if applicable, the Facility, (viii) shall keep and maintain abutting grounds, sidewalks, roads, parking and landscape areas in good and neat order and repair, (ix) shall comply with the provisions of any lease if the Grant Recipient’s interest in the Real Property and, if applicable, the Facility, is a leasehold interest, (x) shall comply with the provisions of any condominium documents if the Real Property and, if applicable, the Facility, is part of a condominium regime, (xi) shall not remove any fixtures or personal property from the Real Property and, if applicable, the Facility, that was paid for with the proceeds of the Grant unless the same are immediately replaced with like property of at least equal value and utility, and (xii) shall not commit, suffer or permit any act to be done in or upon the Real Property and, if applicable, the Facility, in violation of any law, ordinance or regulation.

Section 5.04 Records Keeping and Reporting. The Grant Recipient shall maintain or cause to be maintained books, records, documents and other evidence pertaining to the costs or expenses associated with the completion of the Project and operation of the Real Property and, if applicable, the Facility, and compliance with the requirements contained in this Agreement, and upon request shall allow or cause the entity which is maintaining such items to allow the State Entity, auditors for the State Entity, the Legislative Auditor for the State of Minnesota, or the State Auditor for the State of Minnesota, to inspect, audit, copy, or abstract, all of its books, records, papers, or other documents relevant to the Grant. The Grant Recipient shall use or cause the entity which is maintaining such books and records to use generally accepted accounting principles in the maintenance of such books and records, and shall retain or cause to be retained all of such books, records, documents and other evidence for a period of 6 years from the date that the Project is fully completed and placed into operation.

Section 5.05 Inspection of Facility. Upon reasonable request by the State Entity the Grant Recipient shall allow, and will require any entity to whom it leases, subleases, or enters into a Use Contract for any portion of the Real Property and, if applicable, the Facility to allow, the State Entity to inspect the Real Property and, if applicable, the Facility.

Section 5.06 Data Practices. The Grant Recipient agrees with respect to any data that it possesses regarding the Grant, the Project, or the Real Property and, if applicable, the Facility, to comply with all of the provisions and restrictions contained in the Minnesota Government Data Practices Act contained in Chapter 13 of the Minnesota Statutes that exists as of the date of this Agreement and as such may subsequently be amended, modified or replaced from time to time.

Section 5.09 Antitrust Claims. The Grant Recipient hereby assigns to the State Entity and the Commissioner of Management and Budget all claims it may have for over charges as to goods or services provided in its operation or management of the Real Property and, if applicable, the Facility that arise under the antitrust laws of the State of Minnesota or of the United States of America.

Section 5.10 Review of Plans and Cost Estimates. The Grant Recipient agrees to comply with all applicable provisions and requirements contained in Minn. Stat. § 16B.335 that exists as of the date of this Agreement and as such may subsequently be amended, modified or replaced from time to time, for the Project, and in accordance therewith the Grant Recipient and the State Entity agree to comply with the following provisions and requirements if such provisions and requirements are applicable.

A. The Grant Recipient shall provide all information that the State Entity may request in order for the State Entity to determine that the Project will comply with the provisions and requirements contained in Minn. Stat. § 16B.335, as it may be amended, modified or replaced from time to time.

B. Prior to its proceeding with design activities for the Project the Grant Recipient shall prepare a predesign package and submit it to the Commissioner of Administration for the State of Minnesota for review and comment. The predesign package must be sufficient to define the purpose, scope, cost, and projected schedule for the Project, and must demonstrate that the Project has been analyzed according to appropriate space and needs standards. Any substantial changes to such predesign package must be submitted to the Commissioner of Administration for the State of Minnesota for review and comment.

C. If the Project includes the construction of a new building, substantial addition to an existing building, a substantial change to the interior configuration of an existing building, or the acquisition of an interest in land, then the Grant Recipient shall not prepare final plans and specifications until it has prepared a program plan and cost estimates for all elements necessary to complete the Project and presented them to the Chairs of the Minnesota State Senate Finance Committee and Minnesota House of Representatives Ways and Means Committee and the chairs have made their recommendations, and it has notified the Chair and Ranking Minority Member of the Minnesota House of Representatives Capital Investment Committee and the Chair and Ranking Minority Member of the Minnesota State

The program plan and cost estimates must note any significant changes in the work to be performed on the Project, or in its costs, which have arisen since the appropriation from the legislature for the Project was enacted or which differ from any previous predesign submittal.

D. The Grant Recipient must notify the Chairs and Ranking Minority Members of the Minnesota State Senate Finance and Capital Investment Committees, and the Minnesota House of Representatives Capital Investment and Ways and Means Committees of any significant changes to the program plan and cost estimates referred to in Section 5.10.C.

E. The program plan and cost estimates referred to in Section 5.10.C must ensure that the Project will comply with all applicable energy conservation standards contained in law, including Minn. Stat. §§ 216C.19 to 216C.20, as they may be amended, modified or replaced from time to time, and all rules adopted thereunder.

F. If any of the Grant is to be used for the construction or remodeling of the Facility, then both the predesign package referred to in Section 5.10.B and the program plan and cost estimates referred to in Section 5.10.C must include provisions for cost-effective information technology investments that will enable the occupant of the Facility to reduce its need for office space, provide more of its services electronically, and decentralize its operations.

G. If the Project does not involve the construction of a new building, substantial addition to an existing building, substantial change to the interior configuration of an existing building, or the acquisition of an interest in land, then prior to beginning work on the Project the Grant Recipient shall just notify the Chairs and Ranking Minority Members of the Minnesota State Senate Finance and Capital Investment Committees, and the Minnesota House of Representatives Capital Investment and Ways and Means Committees that the work to be performed is ready to begin.

H. The Project must be: (i) completed in accordance with the program plan and cost estimates referred to in Section 5.10.C, (ii) completed in accordance with the time schedule contained in the program plan referred to in Section 5.10.C, and (iii) completed within the budgets contained in the cost estimates referred to in Section 5.10.C.

Provided, however, the provisions and requirements contained in this Section 5.10 only apply to public lands or buildings or other public improvements of a capital nature, and shall not apply to the demolition or decommissioning of state assets, hazardous material projects, utility infrastructure projects, environmental testing, parking lots, parking structures, park and ride facilities, bus rapid transit stations, light rail lines, passenger rail projects, exterior lighting, fencing, highway rest areas, truck stations, storage facilities not consisting primarily of offices or heated work areas, roads, bridges, trails, pathways, campgrounds, athletic fields, dams, floodwater retention systems, water access sites, harbors, sewer separation projects, water and wastewater facilities, port development projects for which the Commissioner of Transportation for the State of Minnesota has entered into an assistance agreement under Minn. Stat. §§ 177.41 through 177.435, as they may be amended, modified or replaced from time to time. By agreeing to this provision, the Grant Recipient is not acknowledging or agreeing that the cited provisions apply to the Project or to the operation of the Real Property and, if applicable, Facility.

Section 5.12 Liability. The Grant Recipient and the State Entity agree that they will, subject to any indemnifications provided herein, be responsible for their own acts and the results thereof to the extent authorized by law, and they shall not be responsible for the acts of the other party and the results thereof. The liability of both the State Entity and the Commissioner of Management and Budget is governed by the provisions contained in Minn. Stat. § 3.736, as it may be amended, modified or replaced from time to time. If the Grant Recipient is a “municipality” as such term is used in Chapter 466 of the Minnesota Statutes that exists as of the date of this Agreement and as such may subsequently be amended, modified or replaced from time to time, then the liability of the Grant Recipient, including but not limited to the indemnification provided under Section 5.13, is governed by the provisions contained in such Chapter 466.

Section 5.13 Indemnification by the Grant Recipient. The Grant Recipient shall bear all loss, expense (including attorneys’ fees), and damage in connection with the completion of the Project or operation of the Real Property and, if applicable, the Facility, and agrees to indemnify and hold harmless the State Entity, the Commissioner of Management and Budget, and the State of Minnesota, their agents, servants and employees from all claims, demands and judgments made or recovered against the State Entity, the Commissioner of Management and Budget, and the State of Minnesota, their agents, servants and employees, because of bodily injuries, including death at any time resulting therefrom, or because of damages to property of the State Entity, the State of Minnesota, or others (including loss of use) from any cause whatsoever, arising out of, incidental to, or in connection with the completion of the Project or operation of the Real Property and, if applicable, the Facility, whether or not due to any act of omission or commission, including negligence of the Grant Recipient or any Contractor or his or their employees, servants or agents, and whether or not due to any act of omission or commission (excluding, however, negligence or breach of statutory duty) of the State Entity, the Commissioner of Management and Budget, and the State of Minnesota, their employees, servants or agents.

The Grant Recipient further agrees to indemnify, save, and hold the State Entity, the Commissioner of Management and Budget, and the State of Minnesota, their agents and employees, harmless from all claims arising out of, resulting from, or in any manner attributable to any violation by the Grant Recipient, its officers, employees, or agents, or by any User, its officers, employees, or agents, of any provision of the Minnesota Government Data Practices Act, including legal fees and disbursements paid or incurred to enforce the provisions contained in Section 5.06.

The Grant Recipient’s liability hereunder shall not be limited to the extent of insurance carried by or provided by the Grant Recipient, or subject to any exclusions from coverage in any insurance policy.
Section 5.14 Relationship of the Parties. Nothing contained in this Agreement is intended or should be construed in any manner as creating or establishing the relationship of co-partners or a joint venture between the Grant Recipient, the State Entity, or the Commissioner of Management and Budget, nor shall the Grant Recipient be considered or deemed to be an agent, representative, or employee of either the State Entity, the Commissioner of Management and Budget, or the State of Minnesota in the performance of this Agreement, the completion of the Project, or operation of the Real Property and, if applicable, the Facility.

All personnel of the Grant Recipient or other persons while engaging in the performance of this Agreement or the operation and maintenance of the Real Property and, if applicable, the Facility shall not have any contractual relationship with either the State Entity, the Commissioner of Management and Budget, or the State of Minnesota and shall not be considered employees of any of such entities. In addition, all claims that may arise on behalf of said personnel or other persons out of employment or alleged employment including, but not limited to, claims under the Workers’ Compensation Act of the State of Minnesota, claims of discrimination against the Grant Recipient, its officers, agents, contractors, or employees shall in no way be the responsibility of either the State Entity, the Commissioner of Management and Budget, or the State of Minnesota. Such personnel or other persons shall not require nor be entitled to any compensation, rights or benefits of any kind whatsoever from either the State Entity, the Commissioner of Management and Budget, or the State of Minnesota including, but not limited to, tenure rights, medical and hospital care, sick and vacation leave, disability benefits, severance pay and retirement benefits.

Section 5.17  Waiver. Neither the failure by the Grant Recipient, the State Entity, or the Commissioner of Management and Budget, as a third party beneficiary of this Agreement, in any one or more instances, to insist upon the complete and total observance or performance of any term or provision hereof, nor the failure of the Grant Recipient, the State Entity, or the Commissioner of Management and Budget, as a third party beneficiary of this Agreement, to exercise any right, privilege, or remedy conferred hereunder or afforded by law shall be construed as waiving any breach of such term, provision, or the right to exercise such right, privilege, or remedy thereafter. In addition, no delay on the part of either the Grant Recipient, the State Entity, or the Commissioner of Management and Budget, as a third party beneficiary of this Agreement, in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy preclude other or further exercise thereof or the exercise of any other right or remedy.

Section 5.18  Entire Agreement. This Agreement, the Declaration, and the documents, if any, referred to and incorporated herein by reference embody the entire agreement between the Grant Recipient and the State Entity, and there are no other agreements, either oral or written, between the Grant Recipient and the State Entity on the subject matter hereof.
