If the Grant Recipient elects to sell its interest in the Real Property and Facility, if such exists, then such sale must occur within a reasonable time period from the date the damage occurred and the cumulative sum of the insurance proceeds plus the proceeds of such sale must be applied in accordance with the provisions contained in Section 3.08, with the insurance proceeds being so applied within a reasonable time period from the date they are received by the Grant Recipient.

If the Grant Recipient elects to maintain general comprehensive liability insurance regarding the Real Property and Facility, if such exists, then the Grant Recipient shall have the State Entity named as an additional named insured therein.

At the written request of either the State Entity or the Commissioner of Management and Budget, the Grant Recipient shall promptly furnish to the requesting entity all written notices and all paid premium receipts received by the Grant Recipient regarding such required insurance, or certificates of insurance evidencing the existence of the required insurance.

Any condemnation proceeds which are not used to acquire an interest in additional real property or to restore, if applicable, the Facility shall be applied in accordance with the provisions contained in Section 3.08 as if the Grant Recipient’s interest in the Real Property and, if applicable, the Facility had been sold, and such amounts shall be credited against the amounts due and owing under Section 3.08 upon the ultimate sale of the Grant Recipient’s interest in the Real Property and, if applicable, the Facility. If the Grant Recipient elects to sell its interest in the portion of the Real Property and, if applicable, the Facility that remains after the condemnation, then such sale must occur within a reasonable time period from the date the condemnation occurred and the cumulative sum of the condemnation proceeds plus the proceeds of such sale must be applied in accordance with the provisions contained in Section 3.08, with the condemnation proceeds being so applied within a reasonable time period from the date they are received by the Grant Recipient.

As recipient of any of condemnation awards or proceeds referred to herein, the State Entity agrees to and will disclaim, assign or pay over to the Grant Recipient all of such condemnation awards or proceeds it receives so that the Grant Recipient can comply with the requirements which this Section 3.11 imposes upon the Grant Recipient as to the use of such condemnation awards or proceeds.
