Subject: Fiscal Year 2025 Prompt Payment Report

In accordance with Minn. Stat. § 16A.124, subd. 7, attached is the Prompt Payment Report for fiscal year 2025. The report shows state agency vendor payment information and the interest paid to the state's vendors due to late payments.

Minn. Stat. § 16A.124, subd. 3, requires state agencies to pay vendors within a vendor's early payment discount period, or, if no early payment discount period is offered, within 30 days following the receipt of the invoice for the completed delivery of the product or service. Subdivision 5 allows vendors to bill state agencies interest on payments made after 30 days. Minnesota Management and Budget (MMB) has established a statewide goal that at least 98 percent of all payments to vendors are paid within 30 days.

Below are key findings for fiscal year 2025:

- 98.11 percent of state agencies' payments were made within 30 days.
- Total interest paid by state agencies due to late payments to vendors was \$34,486.24.

MMB remains committed to improving the compliance of individual agencies so that every agency reaches the statewide goal of 98 percent. MMB regularly monitors state agency payment status. We provide training, suggest business process improvements, and offer quick reference guides to assist agencies in improving the timeliness of their payments.

Please contact me if you have any questions or would like more information about this report.
