

2026 Enacted Appropriations

(\$ in Thousands)

	Funding Source	Amount
--	----------------	--------

Administration

Capital Asset Preservation and Replacement Account

General Obligation Bonds	10,000
--------------------------	--------

This appropriation provides funding to the Capital Asset Preservation and Replacement Account (CAPRA). This account is for emergency repairs and unanticipated hazardous material abatement needs for state owned facilities.

Capitol Area Trees

General Obligation Bonds	800
--------------------------	-----

This appropriation provides funding to plant trees within the Capitol Area, as defined in Minnesota Statutes, section 15B.02, as part of implementation of the Capitol Mall Design Framework.

General Obligation Bonds	10,800
Administration Total	10,800

Agriculture

East Grand Forks Potato Inspection Facility Updates

General Obligation Bonds	1,380
--------------------------	-------

This appropriation provides funding for asset preservation projects at the Department of Agriculture's East Grand Forks Potato Inspection Facility. This facility facilitates seed potato certification, laboratory analysis, surveys and inspections required for sale and export, and federal crop insurance grading.

General Obligation Bonds	1,380
Agriculture Total	1,380

Amateur Sports Commission

National Sports Center Asset Preservation (Blaine)

General Obligation Bonds	4,500
--------------------------	-------

This appropriation provides funding for asset preservation projects at the National Sports Center (NSC) in Blaine. These projects are intended to ensure the safety and health of participants and staff using the Center's facilities.

2026 Enacted Appropriations

(\$ in Thousands)

	Funding Source	Amount
--	----------------	--------

Amateur Sports Commission

Grant Program: Mighty Ducks

General Obligation Bonds	750
--------------------------	-----

This appropriation provides funding to grants to local communities to upgrade ice arenas, primarily through replacing refrigerant and improving air quality.

General Obligation Bonds	5,250
Amateur Sports Commission Total	5,250

Children, Youth, & Families

Early Childhood Education

General Obligation Bonds	2,000
--------------------------	-------

This appropriation provides funding to construct and renovate early childhood facilities. The purpose of this funding is to ensure families have access to early childhood programs housed in safe facilities.

General Obligation Bonds	2,000
Children, Youth, & Families Total	2,000

Corrections

Corrections Asset Preservation (GO)

General Obligation Bonds	39,208
--------------------------	--------

This appropriation provides funding for asset preservation to repair and renew state correctional facilities. This includes, but is not limited to, safety hazards and code compliance issues, perimeter security, systems upgrades, tuck pointing, roof replacement, window and door replacement, and abatement of hazardous materials. The general obligation dollars will fund only bond-eligible expenses.

Corrections Asset Preservation (GF)

General Fund Cash	2,302
-------------------	-------

This appropriation provides funding for asset preservation to repair and renew state correctional facilities. This includes, but is not limited to, safety hazards and code compliance issues, perimeter security, systems upgrades, tuck pointing, roof replacement, window and door replacement, and abatement of hazardous materials. The general fund dollars will fund non-bondable asset preservation project costs, including safety and security enhancements.

2026 Enacted Appropriations

(\$ in Thousands)

	Funding Source	Amount
--	----------------	--------

Corrections

Facility Consolidation Pre-Design

General Obligation Bonds	350
--------------------------	-----

This appropriation provides funding for pre-design of consolidation and expansion efforts across the Department of Corrections (DOC) facilities. Pre-design will focus on identifying capacity and programming space needs and will inform future capital investment needs at DOC facilities.

Faribault - Dakota Building Vocational Programs Expansion

General Obligation Bonds	10,712
--------------------------	--------

This appropriation provides funding to construct, renovate, furnish, and equip an expansion of vocational programming space in the Dakota Building at the Faribault Correctional Facility campus. This appropriation includes money for demolition.

Clay County - Juvenile Nonsecure Detention Facility

General Obligation Bonds	1,872
--------------------------	-------

This appropriation provides funding for a grant to Clay County to design, construct, furnish, and equip Phase 1 of a nonsecure juvenile detention facility in the city of Moorhead.

	General Fund Cash	2,302
	General Obligation Bonds	52,142
Corrections Total		54,444

Direct Care and Treatment

Direct Care and Treatment Asset Preservation

General Obligation Bonds	23,000
--------------------------	--------

This appropriation provides funding for asset preservation needs at DCT facilities throughout Minnesota to ensure they are functional, safe, and in good repair.

	General Obligation Bonds	23,000
Direct Care and Treatment Total		23,000

Natural Resources

Natural Resources Asset Preservation

General Obligation Bonds 30,000

This appropriation provides funding for major repairs and renovations of DNR capital assets, including buildings, roads, trails, public water accesses, fish hatchery infrastructure, bridges, and recreational facilities. The renovations will help to ensure the assets are safe and functional for the recreating public, support the conservation of Minnesota's natural resources, and preserve the state's existing investments.

Aviation Infrastructure

General Obligation Bonds 2,000

This appropriation provides funding for infrastructure upgrades to DNR's aviation facilities at the Brainerd Regional Airport. These upgrades will support and improve DNR's emergency responses for wildfires, search and rescue operations, and other safety and natural resource management needs.

Flood Hazard Mitigation Grant Assistance Program

General Obligation Bonds 9,000

This appropriation provides funding for competitive cost-share grants to local governments, including cities, counties, and watershed districts, for projects that reduce flood risk. These projects include purchasing and removing damaged and at-risk residential structures from the floodplain, and constructing levees, pumping stations, and multi-purpose flood impoundments.

Improving Accessibility of DNR-Managed Lands and Facilities

General Obligation Bonds 1,000

This appropriation provides funding to complete accessibility projects at high-visitation state parks and wildlife management areas.

Natural Resources Acquisition and Betterment of Public Lands

General Obligation Bonds 1,400

This appropriation provides funding to acquire and improve state lands to conserve and manage Minnesota's natural resources and enrich outdoor recreational opportunities.

2026 Enacted Appropriations

(\$ in Thousands)

	Funding Source	Amount
Natural Resources		
Natural Resources Betterment of Buildings		
	General Obligation Bonds	3,000
This appropriation provides funding to reconstruct or replace DNR offices, buildings, and other facilities that are unsafe or obsolete to create a safe workplace and better serve Minnesotans. Predesign and design of a new metro fish hatchery is a priority.		
Reforestation on State Forest Lands		
	General Obligation Bonds	3,500
This appropriation provides funding for reforestation and stand improvement on state forest lands to meet the reforestation requirements of Minnesota Statutes, section 89.002, subdivision 2, including purchasing native seeds and native seedlings, planting, seeding, site preparation, and protection on state lands administered by the commissioner.		
State Trail Renovations		
	General Obligation Bonds	2,000
This appropriation provides funding to renovate paved and unpaved state trails established in Minnesota Statutes, section 85.015, according to the commissioner's priorities and as provided in Minnesota Statutes, section 84.946.		
City of Anoka - Rum River Dam Modification and Reconstruction		
	General Obligation Bonds	4,696
This appropriation provides funding for a grant to the city of Anoka to design, engineer, and construct operational and safety improvements to the Rum River Dam in the city of Anoka.		
City of Champlin - Mississippi River Crossings		
	General Obligation Bonds	350
This appropriation provides funding for a grant to the city of Champlin to construct a jetty and bank stabilization improvements upstream of the Mississippi Crossings public dock system in the city of Champlin.		
City of Moorhead - Flood Mitigation Improvements - Continuation		
	General Obligation Bonds	10,000
This appropriation provides funding for a grant to the Moorhead-Clay County Joint Powers Authority to design, construct, and equip flood mitigation infrastructure in the city of Moorhead.

Natural Resources		
Cuyuna Lakes State Trail - East Segment Brainerd		
	General Obligation Bonds	2,000
This appropriation provides funding to design and construct a multiuse paved trail segment of the Cuyuna Lakes State Trail under Minnesota Statutes, section 85.015, subdivision 24, from the existing trail at the Northern Pacific Center to 28th Street Southeast, in the city of Brainerd.		
Fillmore County - Forestville Bridge		
	General Obligation Bonds	2,000
This appropriation provides funding for a grant to Fillmore County to design, engineer, and construct the rehabilitation of the historic Forestville Bridge.		
Nonprofit Project - Pickwick Mill Inc. in Winona County		
	General Fund Cash	400
This appropriation provides funding for a grant to the Pickwick Mill Inc., for improvements and repairs to the historic Pickwick Mill Dam in Winona County.		
Rice Creek Watershed District - Jones Lake Climate Resiliency		
	General Obligation Bonds	840
This appropriation provides funding for a grant to the Rice Creek Watershed District for predesign and design of flood hazard mitigation projects in the marked Interstate Highway 35W corridor.		
Root River State Trail - Preston to Carimona		
	General Obligation Bonds	2,000
This appropriation provides funding for engineering and construction of the Root River State Trail under Minnesota Statutes, section 85.015, from the city of Preston to the city of Carimona.		
Three Rivers Park District - Coon Rapids Dam Improvements		
	General Obligation Bonds	5,640
This appropriation provides funding for one or more grants to the Three Rivers Park District to design, engineer, and construct improvements and betterments of a capital nature to the Coon Rapids Dam located on the Mississippi River.

Perpich Center for Arts Education

Perpich Asset Preservation

General Obligation Bonds	1,300
--------------------------	-------

This appropriation provides funding for asset preservation to update, repair, and replace various building systems.

	General Obligation Bonds	1,300
Perpich Center for Arts Education Total		1,300

Pollution Control

Solid Waste Capital Assistance Grant Program

General Obligation Bonds	10,514
--------------------------	--------

This appropriation provides funding for grants that provide financial and technical assistance to local governments to encourage investment in the proper management of solid waste.

Statewide Drinking Water Contamination Mitigation (GO)

General Obligation Bonds	1,500
--------------------------	-------

This appropriation provides funding for the design and construction of drinking water system improvements for communities dealing with man-made contaminants. Improvements may include solutions like a drinking water treatment system, drilling new wells, or connecting homes with private wells to public drinking water systems.

Statewide Drinking Water Contamination Mitigation (GF)

General Fund Cash	650
-------------------	-----

This appropriation provides funding for the design and construction of drinking water system improvements for communities dealing with man-made contaminants. Improvements may include solutions like a drinking water treatment system, drilling new wells, or connecting homes with private wells to public drinking water systems.

Public Facilities Authority

Emerging Contaminants Grant Program

General Obligation Bonds 17,000

This appropriation provides funding for grants to local governments to address emerging contaminants in public drinking water such as manganese and polyfluoroalkyl (PFAS) substances. The emerging contaminant grant program combines state and federal funds to cover up to \$5 million or 50 percent of the cost of constructing drinking water treatment systems and/or alternative water supplies in impacted communities that have projects on the Drinking Water State Revolving Fund Project Priority List.

Lead Service Line Replacement Grant Program

General Obligation Bonds 15,000

This appropriation provides funding for the Lead Service Line Replacement (LSLR) Grant Program. This program provides grants to municipalities and other community public water suppliers to replace publicly owned lead service lines.

Point Source Implementation Grants Program

General Obligation Bonds 30,000

This appropriation provides funding for the Point Source Implementation Grants (PSIG) program. This program provides grants to communities to construct wastewater, storm water, and drinking water treatment projects when the Pollution Control Agency determines that higher levels of treatment are necessary to meet water quality goals.

State Match for Federal Grants to State Revolving Fund Loan Programs

General Obligation Bonds 19,000

This appropriation provides funding for deposit in the Clean Water State Revolving Fund (CWSRF) and the Drinking Water State Revolving Fund (DWSRF). The requested funds represent a 20 percent state match of federal capitalization grants expected from the U.S. Environmental Protection Agency. State and federal funds are used with loan repayments and Public Facilities Authority revenue bonds to provide low interest loans to communities for clean water and drinking water infrastructure projects statewide. Eligible projects are prioritized based on environmental and public health criteria.

2026 Enacted Appropriations

(\$ in Thousands)

	Funding Source	Amount
Public Facilities Authority		
Water Infrastructure Funding Program		
	General Obligation Bonds	56,000
This appropriation provides funding for the Water Infrastructure Funding (WIF) program. This program provides supplemental assistance grants to communities that meet affordability criteria and receive Public Facilities Authority loans or water financing from the U.S. Department of Agriculture's Rural Development program. These grants help communities build clean water and drinking water infrastructure projects while keeping costs affordable for residents.		
Alexandria Lake Area Sanitary District - Water Reclamation Facility		
	General Obligation Bonds	5,000
This appropriation provides funding for a grant to the Alexandria Lake Area Sanitary District (ALASD) to construct and equip Phase Two improvements and upgrades to the district's regional water reclamation facility.		
Central Iron Range Sanitary Sewer District - Wastewater Conveyance System		
	General Obligation Bonds	1,400
This appropriation provides funding for a grant to the Central Iron Range Sanitary Sewer District to predesign, design, construct, furnish, and equip improvements and betterments of a capital nature to the district's infrastructure.		
Chisago County - Sanitary Sewer System		
	General Obligation Bonds	820
This appropriation provides funding for a grant to Chisago County to predesign, design, and construct an extension of the Shorewood Park Sanitary Sewer District sewer system to 20 homes on Rush Lake.		
City of Apple Valley - PFAS Removal Upgrades to Water Treatment Plant (GF)		
	General Fund Cash	6,100
This appropriation provides funding for a grant to the city of Apple Valley to predesign and design the renovation and expansion of the existing water treatment plant in the city to address perfluoroalkyl and polyfluoroalkyl substances (PFAS) in the city's drinking water supply.

City of Big Lake - Wastewater Treatment Plant Improvements		
	General Obligation Bonds	3,500
This appropriation provides funding for a grant to the city of Big Lake to design and engineer improvements and renovations to the city's wastewater treatment facility.		
City of Bloomington - North Central Sanitary Sewer Project		
	General Obligation Bonds	4,000
This appropriation provides funding for a grant to the city of Bloomington to design, construct, and equip sanitary sewer improvements to facilitate increased sanitary sewer capacity needs in north central Bloomington, including the Penn American District.		
City of Burnsville - Water Treatment Plant		
	General Obligation Bonds	2,750
This appropriation provides funding for a grant to the city of Burnsville to construct and equip upgrades and improvements necessary for renovation of the city's water treatment plant, including electrical component replacement, water line upgrades, and improvements to the surface water treatment process.		
City of Cohasset - Water Tower & Utility Extension		
	General Obligation Bonds	3,000
This appropriation provides funding for a grant to the city of Cohasset to design, construct, reconstruct, and equip the rehabilitation of the city's water tower; the extension of water, sanitary sewer, and storm sewer infrastructure citywide; and associated street reconstruction.		
City of Cold Spring - Wastewater Treatment Facility		
	General Obligation Bonds	5,500
This appropriation provides funding for a grant to the city of Cold Spring to design and engineer improvements to the city's wastewater treatment facility.

Public Facilities Authority		
City of East Bethel - School Water Connection		
	General Obligation Bonds	3,000
This appropriation provides funding for a grant to the city of East Bethel to predesign, design, construct, and equip city water and sewer infrastructure to connect East Bethel Elementary School and Cedar Creek Elementary School to city water and sewer systems.		
City of Ely - Water Supply Improvements		
	General Obligation Bonds	3,900
This appropriation provides funding for a grant to the city of Ely to design, construct, and equip upgrades to and the replacement of water infrastructure.		
City of Eveleth -Wastewater Treatment Plant		
	General Obligation Bonds	2,500
This appropriation provides funding for a grant to the city of Eveleth to construct and equip filtration improvements and the rehabilitation and replacement of aging and failing infrastructure at the Eveleth wastewater treatment facility to achieve compliance with regulations for phosphorus and mercury levels in the city's wastewater.		
City of Excelsior - Infrastructure Projects		
	General Obligation Bonds	5,613
This appropriation provides funding for a grant to the city of Excelsior to acquire right-of-way, predesign, design, engineer, construct, and reconstruct public infrastructure.		
City of Floodwood - West Development Project		
	General Obligation Bonds	1,500
This appropriation provides funding for a grant to the city of Floodwood to design and construct capital improvements to the city's water and sewer infrastructure along County Road 832 (Floodwood Road).		
City of Ghent - Water Infrastructure		
	General Obligation Bonds	3,000
This appropriation provides funding for a grant to the city of Ghent for Phase 1 improvements to municipal water infrastructure.

Public Facilities Authority		
City of Grand Marais - Wastewater Treatment Plant		
	General Obligation Bonds	1,908
This appropriation provides funding for a grant to the city of Grand Marais to design, construct, and equip improvements and betterments of a capital nature to the existing wastewater treatment facility in the city of Grand Marais to address risks posed from aging and failing infrastructure.		
City of Hastings - Eastern Water Treatment Plan for PFAS and Nitrates		
	General Obligation Bonds	17,500
This appropriation provides funding for a grant to the city of Hastings to predesign, design, construct, and equip the Eastern Water Treatment Plant and associated piping to remove perfluoroalkyl and polyfluoroalkyl substances from city drinking water.		
City of Holdingford - Lift Station Replacement		
	General Obligation Bonds	1,000
This appropriation provides funding for a grant to the city of Holdingford to design, construct, and equip a new primary lift station.		
City of International Falls - Water Treatment Facility		
	General Obligation Bonds	4,800
This appropriation provides funding for a grant to the city of International Falls to construct, renovate, furnish, and equip improvements and betterments of a capital nature at the existing water treatment facility in the city of International Falls, including an expansion of the facility, rehabilitation and replacement of aging and failing infrastructure, security upgrades, and other site improvements to support ongoing operations.		
City of Jordan - Wastewater Treatment Facility		
	General Obligation Bonds	5,375
This appropriation provides funding for a grant to the city of Jordan to design, construct, and equip wastewater treatment improvements in the city of Jordan.		
City of Kandiyohi - Water Infrastructure Phase 2		
	General Obligation Bonds	4,000
This appropriation provides funding for a grant to the city of Kandiyohi to predesign, design, engineer, construct, and equip Phase 2 of water infrastructure improvements in the city of Kandiyohi.

Public Facilities Authority		
City of Keewatin - Infrastructure Project		
	General Obligation Bonds	5,500
This appropriation provides funding for a grant to the city of Keewatin to design, construct, furnish, and equip the replacement and reconstruction of water mains, sanitary sewer lines, storm sewer systems, and streets.		
City of Lafayette - Water Treatment Plant Improvements		
	General Obligation Bonds	3,087
This appropriation provides funding for a grant to the city of Lafayette to construct and equip a reverse osmosis system and associated improvements at the existing water treatment plant to address high levels of chloride in the city's wastewater and to prevent additional disinfection products violations in the city's drinking water.		
City of Lake Benton - Public Infrastructure		
	General Obligation Bonds	863
This appropriation provides funding for a grant to the city of Lake Benton to design, engineer, construct, and reconstruct the replacement of sanitary sewer, water, and storm sewer infrastructure along the marked U.S. Highway 75 corridor in conjunction with the reconstruction of U.S. Highway 75		
City of Lake Lillian - Infrastructure Improvements		
	General Obligation Bonds	3,500
This appropriation provides funding for a grant to the city of Lake Lillian to design, construct, and equip the replacement of aging and failing municipal infrastructure.		
City of Lonsdale - Water Tower and Watermain Loop		
	General Obligation Bonds	4,851
This appropriation provides funding for a grant to the city of Lonsdale to design, construct, furnish, and equip a new water tower and water main looping in the city of Lonsdale.		
City of Loretto - Water Infrastructure - Water, Waste Water, Storm Water		
	General Obligation Bonds	2,700
This appropriation provides funding for a grant to the city of Loretto to design, engineer, and construct the replacement of water mains, water valves, sanitary sewer system, and stormwater system infrastructure in the city of Loretto, including associated street reconstruction.

(\$ in Thousands)

	Funding Source	Amount
Public Facilities Authority		
City of Minneapolis - 13th Ave NE Flood Mitigation		
	General Obligation Bonds	8,000
This appropriation provides funding for a grant to the city of Minneapolis to design and construct a new storm sewer under 13th Avenue Northeast from 2nd Street Northeast to a new outfall at the Mississippi River.		
City of Minneapolis - Structural Renewal of 36-inch Water Main		
	General Obligation Bonds	12,360
This appropriation provides funding for a grant to the city of Minneapolis to design and construct a structural liner along approximately 2.6 miles within the 36-inch water main running under 2nd Street North and Washington Avenue North.		
City of Minneapolis - Water Distribution Facility		
	General Obligation Bonds	4,000
This appropriation provides funding for a grant to the city of Minneapolis for predesign, design, engineering, environmental analysis, and construction of a water distribution facility to be located in Hennepin County. This appropriation is in addition to the appropriation in Laws 2023, chapter 71, article 1, section 15, subdivision 11.		
City of Minnetonka Beach - Streets and Utility Reconstruction		
	General Obligation Bonds	4,540
This appropriation provides funding for a grant to the city of Minnetonka Beach to design, engineer, construct, and equip the replacement of aging and failing municipal infrastructure.		
City of Minnetrista - Design: Water Supply and Treatment		
	General Obligation Bonds	3,000
This appropriation provides funding for a grant to the city of Minnetrista to predesign, design, construct, furnish, and equip a new water treatment plant.		
City of Moose Lake - Inflow & Infiltration Reduction Project		
	General Obligation Bonds	1,575
This appropriation provides funding for a grant to the city of Moose Lake to predesign, design, and construct the lining of a sewer main pipe in the city of Moose Lake.

	Funding Source	Amount
Public Facilities Authority		
City of Silver Bay - Pressure Reducing Valve Emergency Replacement Project		
	General Obligation Bonds	1,070
This appropriation provides funding for a grant to the city of Silver Bay to predesign, design, construct, and equip the rehabilitation and replacement of pressure-reducing valve stations and associated water distribution system infrastructure to address water pressure, safety, and infrastructure issues that compromise ongoing operations.		
City of Silver Lake - Infrastructure Improvement Project		
	General Obligation Bonds	3,000
This appropriation provides funding for a grant to the city of Silver Lake to predesign, design, engineer, construct, and equip stormwater, wastewater, and drinking water infrastructure.		
City of South Haven - Phase 3 Utilities Project		
	General Obligation Bonds	3,500
This appropriation provides funding for a grant to the city of South Haven to design, construct, and equip the municipal infrastructure.		
City of Spicer - Water Infrastructure		
	General Obligation Bonds	2,100
This appropriation provides funding for a grant to the city of Spicer to design, construct, and equip publicly owned infrastructure, including a new lift station, and sewer, water, and roadway improvements, to serve the County Road 8 area located in the southeast portion of the city, to encourage economic growth and development.		
City of St. Francis - Water and Sewer Improvement		
	General Obligation Bonds	4,000
This appropriation provides funding for a grant to the city of St. Francis to design and construct water and sewer improvements to publicly owned infrastructure along marked Trunk Highway 47, from Cree Street to 241st Avenue.		

2026 Enacted Appropriations

(\$ in Thousands)

	Funding Source	Amount
Public Facilities Authority		
City of St. Paul - West 7th Street		
	General Obligation Bonds	13,000
This appropriation provides funding for a grant to the city of St. Paul for the Trunk Highway 5/West 7th Street Improvement Project to predesign, design, engineer, construct, and equip improvements to the publicly owned underground sanitary sewer infrastructure under West 7th Street.		
City of Taylors Falls - Sanitary Sewer		
	General Obligation Bonds	1,500
This appropriation provides funding for a grant to the city of Taylors Falls to design, construct, and equip improvements to the city's sanitary sewer system.		
City of Two Harbors - Hwy 61 Infrastructure		
	General Obligation Bonds	2,000
This appropriation provides funding for a grant to the city of Two Harbors to design, construct, and reconstruct publicly owned physical infrastructure as part of the Department of Transportation's Trunk Highway 61 reconstruction throughout the city of Two Harbors.		
City of Waseca - Sanitary Sewer Inflow and Infiltration Reduction		
	General Obligation Bonds	8,900
This appropriation provides funding for a grant to the city of Waseca to design, engineer, and construct improvements to and replacement of sanitary sewer infrastructure to reduce inflow and infiltration into the system and increase sanitary sewer system conveyance capacity, including reconstruction of the Nelson Lift Station.		
City of Waseca - Water Tower		
	General Obligation Bonds	1,000
This appropriation provides funding for a grant to the city of Waseca to acquire land or permanent easements and to predesign, survey, and design a new water tower in the city of Waseca.		
City of West Union - Infrastructure Improvements		
	General Obligation Bonds	900
This appropriation provides funding for a grant to the city of West Union to design, engineer, construct, and equip a new wastewater municipal infrastructure system.

Public Safety

Lake of the Woods Law Enforcement / Jail

General Obligation Bonds	6,000
--------------------------	-------

This appropriation provides funding for a grant to Lake of the Woods County to design, engineer, construct, furnish, and equip new law enforcement and government facilities to improve public safety, accessibility, delivery of public services, and energy efficiency.

	General Fund Cash	400
	General Obligation Bonds	19,000
Public Safety Total		19,400

State Academies

State Academies Asset Preservation

General Obligation Bonds	1,700
--------------------------	-------

This appropriation provides funding for asset preservation funding to update, repair, and replace buildings and building systems at the Minnesota State Academies.

	General Obligation Bonds	1,700
State Academies Total		1,700

Transportation

Highway Railroad Grade Crossing-Warning Devices Installation & Replacement

General Obligation Bonds	1,000
--------------------------	-------

This appropriation provides funding to replace aging or installing new railroad crossing gates and signal warning systems around the state.

Local Bridge Replacement Program

General Obligation Bonds	25,000
--------------------------	--------

This appropriation provides funding for the rehabilitation and replacement of local bridges across the state, as well as professional services, rehabilitation, stabilization, or relocation of salvageable components of historic bridges.

2026 Enacted Appropriations

(\$ in Thousands)

	Funding Source	Amount
Transportation		
Local Road Improvement Fund Grants		
	General Obligation Bonds	47,000
This appropriation provides funding for improvements on trunk highway corridor projects, construction and reconstruction of local roads with statewide or regional significance, and for grants to counties to assist in paying the costs of rural road safety capital improvement projects on county state-aid highways.		
Radar Infrastructure Grants		
	General Fund Cash	500
This appropriation provides funding for grants to political subdivisions of the state, including airport authorities and airport commissions, for the acquisition, design, construction, and installation of mobile radar infrastructure and equipment to enhance airspace and marine surveillance.		
Safe Routes to School Infrastructure Program		
	General Obligation Bonds	1,000
This appropriation provides funding for grants for infrastructure projects that increase safe and convenient opportunities for children to walk and bicycle to school. Project examples include new or enhanced sidewalks and bicycle trails, ADA improvements, traffic diversion and speed reduction, and enhanced crosswalk devices and markings.		
Township Roads		
	General Obligation Bonds	3,000
This appropriation provides funding for grants to townships for capital improvements to township roads.		
Anoka County - TH 65 & Bunker Lake Blvd		
	General Obligation Bonds	4,300
This appropriation provides funding for a grant to Anoka County for preliminary engineering, environmental documentation, final design, right-of-way acquisition, and construction of intersection improvements along marked Trunk Highway 65 at Anoka County State-Aid Highway 116, also known as Bunker Lake Boulevard Northeast, and associated frontage roads and backage roads.

Veterans Affairs

Veterans Affairs Asset Preservation

General Obligation Bonds	15,000
--------------------------	--------

This appropriation provides funding for department-wide asset preservation. MDVA uses asset preservation funding to maintain and repair over 1.4 million square feet spread over 12 different locations with nearly six dozen buildings, some of which are over 100 years old, that house hundreds of client residents.

Hastings Veterans Home Renovation

General Obligation Bonds	45,172
--------------------------	--------

This appropriation provides funding to design, construct, furnish, and equip the renovation of administrative and residential buildings and infrastructure at the Minnesota Veterans Home, Hastings campus. This provision repurposes funds that were authorized in laws 2023 chapter 72, article 1, section 19, subdivision 3.

Minneapolis Veterans Home - Building 16 Remodel

General Obligation Bonds	17,200
--------------------------	--------

This appropriation provides funding to design, construct, furnish, and equip the renovation of the Minneapolis Veterans home Building 16. This appropriation may also be used to design and complete hazardous materials abatement. This provision repurposes funds that were authorized in laws 2023 chapter 72, article 1, section 19, subdivision 3.

	General Obligation Bonds	77,372
Veterans Affairs Total		77,372

Water and Soil Resources Board

Local Government Roads Wetlands Replacement

General Obligation Bonds	4,500
--------------------------	-------

This appropriation provides funding to support replacing wetlands drained or filled by local government road construction projects with wetlands elsewhere in the state. Funding for this program helps ensure that local road construction projects can proceed as planned. This program allows Minnesota to meet the "no net loss" of wetlands requirements in state and federal regulations
