

Legislative COVID-19 Response Commission – Action Order #18 COVID-19 Minnesota Fund – FY 2020

The Minnesota Legislature created the COVID-19 Minnesota Fund and appropriated money in the fund to the commissioner of management and budget to disburse or transfer to state agencies as necessary to protect Minnesotans from the COVID-19 outbreak and maintain state government operations throughout the duration of the peacetime emergency declared by the governor in executive order 20-01.

Pursuant to Minnesota Session Laws, Chapter 71, Section 7, Sub 2(b), the commissioner of management and budget must submit proposed single expenditures from the COVID-19 Minnesota fund that exceed \$1,000,000 to the Legislative COVID-19 Response Commission. Upon submission of the request, the commission has 24 hours to make a positive recommendation, a negative recommendation, or no recommendation on a proposed expenditure.

If a majority of members from the senate and a majority of members from the house of representatives make a negative recommendation on a proposed expenditure, the commissioner is prohibited from expending the money. If a majority of the commission members from the senate or a majority of members from the house of representatives make a positive recommendation or no recommendation, the commissioner may expend the money.

On **May 14, 2020**, the commissioner submitted the following proposed expenditure request:

- ***Positive recommendation to allow spending of \$4,359,230 to purchase up to 1,000,000 swabs.***

The requisite number of commission members having provided a positive recommendation, I hereby authorize \$4,359,230 from the COVID-19 Minnesota fund to the Minnesota Department of Health to purchase up to 1,000,000 swabs, which are a key component of the testing supplies needed to collect specimens from people potentially infected with COVID-19.
