Open Enrollment for Retirees

Open Enrollment is held from **October 26 - November 8, 2017.**
Retirees may change carriers.

- The BlueCross BlueShield Coordinated Plan will reduce premiums by 3%.
- HealthPartners Freedom Plan will not increase premiums.
- UCare for Seniors premiums will increase by 6.69%.
- The Minnesota Advantage Plan premiums will increase by 2.85%.

**Steps for a successful Open Enrollment**

- **Review the information in this booklet.**
  Changes in the Minnesota Advantage Plan and Senior Plans for plan year 2018 are highlighted in this booklet and posted on the SEGIP website available at: mn.gov/mmb/segip.

- **Review the plan availability in this booklet on page 10.**
  This will tell you which health plans are available to you. You may choose any plan available in the county in which you live.

- **Review the 2018 insurance rate table on page 11 of this booklet.**
  It lists the premium costs for each of the state’s health plans and shows how premiums are combined for retirees and spouses under and over age 65.

- **Check your Advantage Health Plan Primary Care Clinic (PCC) to ensure participation for Plan year 2018. Some clinics have changed cost levels.**
  There are changes in Primary Care Clinic cost levels for the Minnesota Advantage Health Plan. The same clinic may be listed as a different cost level depending on the carrier selected. A clinic directory is available on the SEGIP website at: mn.gov/mmb/segip. To access, click on the “Open Enrollment” tab. If you want to keep your current health carrier, but change clinics, call your carrier using the phone number listed on page 25 of this booklet. If you want to change from one carrier to another, you must complete and return both Open Enrollment forms and Disenrollment forms at the back of this booklet by November 8, 2017.

- **Complete and mail your applications if you want to make changes.**
  Complete the Enrollment and Disenrollment Forms in this booklet and mail them to the appropriate carrier listed on page 25. If enrolling in Senior Plans, you will receive additional enrollment forms from your new carrier at your home address. These must also be completed and returned to your new carrier as quickly as possible (prior to December 31, 2017). If your Senior Plan Forms are not received prior to December 31, 2017, you will not have coverage on January 1, 2018.

  **Open Enrollment applications must be postmarked by November 8, 2017.**

If you do not want to make changes, you do not have to complete the application.
Gathering Open Enrollment Information

- **Employee and Retiree meetings.** Employee meetings will be held in selected locations throughout Minnesota. For information on general Open Enrollment meeting times and locations, consult the SEGIP website available from the website at: [mn.gov/mmb/segip](http://mn.gov/mmb/segip). Retiree Open Enrollment meetings will be held on selected days, October 24 through November 2, 2017. Details about the retiree meetings can be found on the Minnesota Retired State Employees Association (MRSEA) website at: [www.mrsea.org](http://www.mrsea.org) and the SEGIP website. There is no need to register to attend the retiree meetings. Questions about the retiree meetings may be directed to SEGIP at: (651) 355-0100.

- **Via the Internet.** The SEGIP website is: [mn.gov/mmb/segip](http://mn.gov/mmb/segip). This site has a special Open Enrollment tab. The SEGIP website provides links to the provider directories published by the three Minnesota Advantage Health Plan carriers: BlueCross BlueShield, HealthPartners, and PreferredOne. A list of participating doctors and clinics, accessible through the Minnesota Advantage Health Plan, is available to help you make your Primary Care Clinic (PCC) selection. This list also includes the PCC’s number you need to write on your form in order to enroll. Each carrier has a unique number for the PCCs. To access, click on the “Open Enrollment” tab.

- **Via the phone.** You may call the carriers directly if you have questions or to request a plan’s area provider list. Each health insurance carrier will provide a list of its participating clinics specific to your area and clinic numbers for Advantage. UCare for Seniors, HealthPartners Freedom Plan, and the BlueCross BlueShield Coordinated Plan will provide directories for the plans to members age 65 and over. The carriers’ phone numbers are listed on page 25 of this booklet.

- **SEGIP’s Open Enrollment Service Center.** For answers to questions about rates, eligibility, and coverage or for help with enrollment issues, call SEGIP’s Open Enrollment Service Center for help from October 2 through November 8, 2017. SEGIP representatives are available Monday through Friday from 7:00 a.m. to 4:00 p.m. Call 651-355-0100, or 1-800-664-3597 in greater Minnesota. Consumers with hearing or speech disabilities may contact SEGIP via their preferred Telecommunications Relay Service.
An overview of your health benefits

As a state retiree, you and your eligible dependents receive health insurance benefits through the State Employee Group Insurance Program (SEGIP).

Open Enrollment will be held from October 26 – November 8, 2017. This booklet is designed to help you make decisions about the SEGIP health benefits that you will receive during the 2018 plan year. Use it to learn about the Minnesota Advantage Health Plan changes and where to find information on changes for 2018. Changes in Senior Plans and costs which may impact your selection of health plans are listed in this booklet. After Open Enrollment, you are encouraged to keep this booklet as a reference guide. Use it in conjunction with your Plan Summary or Certificate of Coverage to gain a greater understanding of your benefits.

For information about Open Enrollment, state retirees may view information on the SEGIP website at: mn.gov/mmb/segip/ or call:
Employee Insurance Division/SEGIP 651-355-0100; 800-664-3597
Consumers with hearing or speech disabilities may contact us via their preferred Telecommunications Relay Service.

The Employee Insurance Division, in partnership with the Minnesota Retired State Employees’ Association (MRSEA), will hold exclusive Retiree Open Enrollment meetings. Check the front cover or page 26 of this booklet for locations and times. You do not need to register to attend a retiree meeting. Presentations will be given to the group during the first hour. The remaining time provides retirees a chance to speak with individual carriers and gather information. Please note, meetings may end early if attendance dictates. Retiree meetings are also listed on the SEGIP website at: mn.gov/mmb/segip and the MRSEA website at: www.mrsea.org.

Medicare Part D (Prescription Drug Coverage)
CAUTION: Members enrolling in the age 65 and over plans (Senior Plans) should NOT apply for or purchase Medicare Part D from another Part D carrier for prescription drug coverage. Enrolling in Part D with an insurance company that is different from your SEGIP group carrier will terminate participation in the state’s Senior Plans. As you approach age 65, Medicare beneficiaries will see marketing materials from several different insurance companies and pharmacies offering prescription coverage. If you purchase that coverage, you will permanently lose medical insurance coverage in the state’s retiree group!

If you attain age 65 and enroll in Medicare Parts A and B while you are participating in SEGIP as a retiree, your enrollment in Medicare Part D will be handled by enrolling with your carrier’s Senior Plan (BlueCross BlueShield participants enroll in the Coordinated Plan, HealthPartners participants enroll in HealthPartners Freedom Plan and PreferredOne participants enroll in UCare for Seniors).

Retirees under age 65 in the Minnesota Advantage Health Plan have existing prescription drug coverage that, on average, is as good as, if not better than Medicare Part D. This is important. It ensures that you will not be penalized with a higher premium or Part D penalty if you join a Medicare prescription plan after Medicare Part D was first made available to you. A disclosure is available on the SEGIP website.
SEGIP Plan Benefit: The pharmacy benefit of the Senior Plans will include and coordinate with Medicare Part D. Participants in the Senior Plans do not pay a separate Part D premium to Medicare or to a Part D carrier. The Medicare Part D benefit and premium are built into the premium paid directly to BlueCross BlueShield Coordinated Plan, HealthPartners Freedom Plan, and UCare for Seniors.

Enrollment: New members to any of the Senior Plans that coordinate with Medicare must immediately complete the Senior Plan’s enrollment form and Medicare Part D form sent to their home address by the carrier. Participants who turn 65 during the year and continue coverage in SEGIP must also complete and return both the Senior Plan enrollment form and the Medicare Part D form prior to the month in which they turn 65 to ensure timely coverage upon turning age 65.

Premiums

The 2018 premiums will change:

- 2.85% increase for the Minnesota Advantage Health Plan.
- 6.69% increase for UCare for Seniors to $319.00 per month.
- No increase for HealthPartners Freedom Plan remaining at $286.50 per month.
- 3.0% decrease for BlueCross BlueShield to $296.00 per month.

What’s new

CVS/caremark will become the new Pharmacy Benefits Manager (PBM) for the Minnesota Advantage Health Plan. CVS/caremark has a large pharmacy network and you are NOT required to use a CVS Pharmacy. However, if you opt to purchase your 90-day supply at a CVS Pharmacy you will only pay two copays versus three. There will be some formulary changes. Affected members will be notified via a letter mailed to their home prior to January 1, 2018. Visit the CVS/caremark website www.caremark.com for more information.

Most of the current deductibles, copays, coinsurances and out-of-pocket maximums will remain the same in the 2018 plan year. Remember, even though there are no changes to these cost sharing features, the cost level of your primary care clinic may change in 2018.

There are enhancements to the Minnesota Advantage Health Plan. Copays are removed for:

- Convenience Care Clinics
- Doctors on Demand
- virtuwell

There are no copays or need to satisfy the annual deductible for these benefits. Convenience Care Clinics and Online Care services can provide quick diagnosis for simple medical issues.

Advantage Value for Diabetes will be introduced to bring lower copays to adult participants with diabetes. Check the SEGIP website and check with your carrier as we approach 2018. The Advantage Value for Diabetics program aims to encourage accessing preventative and maintenance health benefits which will ultimately impact participants’ wellbeing and strengthen the health of our group as a whole.
The Minnesota Advantage Health Plan

Office visit copays

The Advantage Summary lists two copay amounts for office visits in all cost levels. Active employees may complete the StayWell health assessment and agree to a follow-up health call to receive the lower office visit copay. The health assessment is not available to retirees who pay their premiums directly to the carrier. Because you do not have access to the health assessment, you will automatically pay the lower copay amount. For example, the copay in cost level 2 lists $30 and $35 copays. You will pay $30 after the annual deductible is satisfied.

Retirees who pay all or a portion of their medical insurance premium to SEGIP or MMB are required to take the StayWell health assessment and agree to accept a health call to receive the lower copay. The health assessment can be accessed directly at: segip.staywell.com. Participants who receive an employer contribution to their coverage will need to use their new Retiree ID number to access StayWell. If this is your first year as a Retiree, you may need to set up a new account using your new Retiree ID number. This process must be completed during the Open Enrollment period of October 26 – November 8, 2017. Please contact our office if you have questions regarding this process.

Primary Care Clinics and Provider Quality

There are changes to the 2018 Primary Care Cost levels. Check your current Primary Care Clinic’s Cost level at mn.gov/mmb/segip on the Open enrollment tab. Quality of care information will be provided through Minnesota HealthScores for most of Minnesota’s Primary Care Clinics (PCC) on the website. Minnesota HealthScores is a nonprofit organization that monitors and reports how well physician groups deliver preventive care and manage a variety of health conditions.

Access to this information is provided via a direct link from the clinic listings in our Minnesota Advantage Health Plan on-line provider directory to the corresponding quality ratings on MN HealthScores’ website. Before you make or change your provider selection, be sure to review the quality ratings from MN HealthScore.

Turning 65 in 2018

If you or your spouse will be turning age 65 during 2018, you should also review the Senior Plans. The Advantage Plan carrier that you have in place when you turn age 65 determines the Senior Plan that you will be eligible to enroll with for the remainder of the 2018 plan year. Turning age 65 and becoming eligible for Medicare does not give you an opportunity to switch carriers to access a Senior Plan affiliated with a different carrier.

Under 65, Advantage Plan Primary Care Clinics

Check with your carrier during Open Enrollment to see if your Primary Care Clinic will participate in the carrier’s provider network for the new insurance year. The Clinic Directory or the Minnesota Advantage Health Plan is available on the SEGIP website. If under age 65, you should confirm the cost level of your Advantage Plan’s PCC for the upcoming year, as there are changes to the 2018 Clinic Cost Levels.
If your current clinic will be available to you through SEGIP in 2018, and you do not want to change carriers, you do not need to do anything during this Open Enrollment period. You will continue to participate with your current carrier in 2018.

Changes you make to your health insurance coverage will be effective January 1, 2018 through December 31, 2018. Until then, your current coverage remains in effect provided all premiums are paid through December 31, 2017.

Other Enrollment Notes

• Medicare participation. When you enroll in a new plan you will be asked if you are enrolled in Medicare Parts A and B. You must be enrolled and provide this information to ensure claims will be processed correctly. If you are changing carriers and are age 65 or greater, you must enroll with the new plan’s Part D benefit. The plan will send you Medicare enrollment forms that must be completed immediately to ensure that your new Senior Plan enrollment takes effect January 1, 2018.

• BlueCross BlueShield and HealthPartners will send plan membership cards to your home for 2018. PreferredOne will only send cards to new members or members who have a change in the cost level of their PCC. All participants will receive a replacement pharmacy card from CVS/caremark. Check your membership cards closely to ensure that all information is correct. If there are errors, call your carrier immediately.

Important Plan Statements

• The state expects to continue the State Employee Group Insurance Program indefinitely. However, the state reserves the right to change or discontinue all or any part of the program, consistent with the state’s rights and obligations under law and collective bargaining agreements.

• The Plan assumes fraud or intentional misrepresentation if a participant enrolls a dependent who does not meet the Plan’s definition of dependent. Upon 30-day notice, coverage will be rescinded to the effective date of coverage. You may be liable for all claims paid by the Plan on behalf of an ineligible dependent.
Health Plans offered

BlueCross BlueShield Plans
- Minnesota Advantage Health Plan – BlueCross BlueShield (under age 65)
- Coordinated Plan (age 65 and over and a Medicare Enrollee)

HealthPartners Plans
- Minnesota Advantage Health Plan – HealthPartners (under age 65)
- HealthPartners Freedom Plan (age 65 or over and a Medicare Enrollee)

PreferredOne Plans
- Minnesota Advantage Health Plan – PreferredOne (under age 65)
- UCare for Seniors (age 65 or over and a Medicare Enrollee)

You may receive information about other plans offered by some of the same insurance companies or carriers that offer the plans we have just listed. Be cautious. Plans not listed in this book are not state-sponsored. If you enroll in a plan that is not state-sponsored, you forfeit your membership in the State Employee Group Insurance Program (SEGIP) and will never be able to re-enroll in the state group medical insurance.

Please note that if you and your dependents are all under age 65, you must all enroll in the same plan with the same insurance carrier. If you and your spouse or dependents are in different age groups (one is age 65 or older; one is under age 65) or you have other insurance-eligible dependents under age 65, you must select plans appropriate by age group. Both age appropriate plans must be offered by the same insurance carrier.

You may only change carriers during Open Enrollment. Upon turning age 65, you will have the opportunity to enroll in the Senior Plan affiliated with your current Advantage Plan carrier. Those approaching age 65 should receive an enrollment packet for the Senior Plan affiliated with their current carrier the month prior to the month in which they reach age 65.

Cost

You pay the full cost of retiree health coverage for yourself and your insurance-eligible dependents. Since you are a member of the State Employee Group Insurance Program (SEGIP), you receive the advantage of group rates for high quality plans. This makes your health care coverage more affordable for a very good plan, with a low out-of-pocket maximum, than if you were to purchase similar coverage on your own. Your monthly cost varies depending on which plan you choose and whether you cover your spouse, the age of your spouse, and whether you cover other eligible dependents. The Minnesota Advantage Health Plan rates and Senior Plan rates are listed in the table on page 11.
Eligibility

If you and/or your spouse are Medicare-eligible and age 65 or older, you must be enrolled in Medicare Part A (hospital insurance) and Part B (supplemental medical insurance). Your Part D (prescription drug coverage) is included with your state group carrier and enrollment will be coordinated through your SEGIP Senior Plan for those ages 65 and older.

Participants in the state’s retiree health insurance program may change carriers during Open Enrollment. It is important for you to carefully consider your option to continue your state-sponsored health insurance. If you turn 65 during 2018 you will be offered enrollment in the Senior Plan affiliated with your current Advantage Plan insurance carrier. **If you decide not to continue, you and/or your dependents may never re-enroll in the state’s health plans.**

Family coverage

When you retired and became eligible to continue your participation in SEGIP’s Retiree Plans, your eligible dependents were also able to maintain coverage.

If you chose coverage for yourself but not your dependent(s) when you retired, you may still be able to add your dependent(s) later. You may add dependent coverage if your eligible dependents, including your spouse:

- Lose other group coverage, or,
- If you marry after retirement.

At either time, **you must submit an Application to Change Insurance Coverage to the Employee Insurance Division** of SEGIP within 30 days of the event. A marriage certificate and other documents will be required to verify the marriage date. When losing other group coverage, you must send written verification from your dependent’s employer. The employer’s letter must state the exact date of the event that is causing the loss of group coverage. It must also state the date their current coverage will end. Adding new dependents will require that you verify dependent status. The policy holder verifies dependent status for newly added dependents by submitting specific documents. Failure to provide documentation will result in removal of coverage.

Surviving spouses

A spouse who was covered by the state’s retiree plans at the time of the retiree’s death may continue participation in SEGIP indefinitely.

**COBRA Qualified Events — Dependent**

If you have maintained coverage for a dependent child who reaches age 26, contact SEGIP prior to their 26th birthday to ensure that a COBRA offer will be provided to your dependent. Additionally, if you divorce after retirement, contact SEGIP to provide this information and inquire about continuation options no later than 60 days from the date of divorce.
Availability by county

The Minnesota Advantage Health Plan is available in all counties of Minnesota. However, the availability under each carrier may differ slightly. BlueCross BlueShield and HealthPartners offer the Advantage Plan in all counties of Minnesota. PreferredOne offers the Minnesota Advantage Health Plan in all Minnesota counties, except Houston County, where access is limited.

Each carrier offering the Minnesota Advantage Health Plan also provides a National Preferred Provider Organization (PPO) for members who permanently reside outside the state and service area (bordering counties) of Minnesota. Contact your carrier if you need access to Point of Service (POS) benefits for PPO providers, as not all carriers offer PPOs in every state. You must provide your permanent address and request access to this benefit before it is provided.

All three Senior Plans are available in all counties of Minnesota. The HealthPartners Freedom Plan and UCare for Seniors also offer coverage in some of the bordering counties of Wisconsin. (Please refer to the Wisconsin counties below.) For members age 65 and greater who live outside the state of Minnesota and the eligible border counties of Wisconsin, the BlueCross BlueShield Coordinated Plan can provide your coverage. The Coordinated Plan is the only senior plan available to members whose permanent residence is outside the state of Minnesota and the surrounding Wisconsin counties.

**Note:** For retirees who wish to cover their families, the amount you pay is the total of the rate for yourself, under the “Section 1” heading, plus the appropriate rate under the “Section 2” heading. For survivors of retirees, choose the appropriate rate under the “Section 3” heading. Rates are subject to change on January 1, 2019.

Plan Summaries

The next section of this booklet provides summaries of each SEGIP health plan offered to retirees.

- Retirees and dependents under age 65 should refer to pages 14 through 15 for plan features and types of services covered under the Minnesota Advantage Health Plan.
- Retirees and/or dependents age 65 and over who are Medicare eligible will find plan summaries and a comparison chart on pages 17 through 24.
- For definitions of some of the terms used in these descriptions, refer to the glossary on pages 27 through 29.

This booklet does not describe the many procedures and requirements established by the carriers to ensure quality and efficiency. For example, this booklet may state that coverage is 100 percent for a certain service, but coverage may also require the carrier’s prior approval. You should become familiar with how your plan works in addition to its benefit levels and provider network. Each plan’s Certificate of Coverage or Summary of Benefits describes these features. The Minnesota Advantage Health Plan Summary will be available on the SEGIP website. The age 65 and over plan certificates will be mailed to members after January 1, 2018 and will also be made available on the SEGIP website. Click on the Medical & Dental tab, then select Retirees. Click on Map your Retiree Benefits and you will find the Summary & Certificates under Medical and Dental Booklets.

Provider Networks

Most health plans have a network of physicians, hospitals, and other health care providers through which you receive your care. To be sure that a particular doctor or other health care provider will be in your plan’s network for the 2018 insurance year, call the plan’s customer service number (see page 25).

Medicare Coordination

All SEGIP Senior Plans are coordinated with Medicare Parts A, B, and D for people age 65 or older. Medicare-eligible retirees and spouses age 65 and older are required to enroll in Medicare Part A (hospital insurance) and Part B (supplemental medical insurance) in order to participate in the state’s group insurance plans. Enrollment in Medicare Part D (prescription drugs) is included with the state group carrier you have chosen for all medical benefits. Your enrollment in Part D will be coordinated through the carrier with which you participate.

Important note

The following descriptions are meant only to highlight the benefits provided by each plan. Please refer to the Certificate of Coverage or Summary of Benefits for complete descriptions of all benefits and exclusions. If there are differences between this document and the plans’ Certificates of Coverage or Summary of Benefits, the Certificates of Coverage or Summary of Benefits will govern.
Minnesota Advantage Health Plan (under age 65)

Minnesota Advantage Health Plan is the medical benefits program for all retirees and dependents under age 65

All state of Minnesota retirees and eligible dependents under age 65 who receive medical coverage under the State Employee Group Insurance Program (SEGIP) are enrolled in the benefits program called the Minnesota Advantage Health Plan.

Advantage Plan features

The Minnesota Advantage Health Plan features include:

• Cost sharing features that help you better control health care costs, while maintaining flexibility in access to doctors and clinics.

• Uniform and comprehensive set of benefits across all plans.

• Out-of-pocket expense maximums for both prescription drugs and medical services to protect you from financial hardship.

• No copays charged for preventive care like immunizations, annual check-ups, etc.

• Most medical care is coordinated through your Primary Care Clinic (PCC) and you will generally need a referral to see a specialist.

• You may self-refer to certain specialists including:
  • Obstetricians/gynecologists
  • Chiropractors
  • Mental health/chemical dependency practitioners
  • Routine eye exam providers.

Access to this specialty care still depends on your plan network and possibly your PCC. Contact your carrier to verify clinic cost level participation.

• You may change your clinic and cost level as often as monthly.

• Referrals for office visits to a specialist are covered at the same level as your PCC office visits.

• We advise that you choose a plan that is available in the county in which you live.

Creditable coverage for prescription drugs

It has been determined that the prescription drug coverage offered through the Minnesota Advantage Health Plan is creditable. This means the amount that the Minnesota Advantage Health Plan expects to pay, on average, for prescription drugs is the same as or greater than what standard Medicare prescription drug coverage will pay. This is important because if you are now eligible or become eligible for Medicare Part D, but enroll at a future date, you will not pay extra for that coverage. A disclosure is available to you on the SEGIP website at: mn.gov/mmb/segip.
How does Advantage work?

Under Advantage, you will share in the cost of specific medical services you obtain by paying out-of-pocket costs (annual deductibles, office visit copays, coinsurance), similar to those paid by members of most employer-sponsored health benefit plans.

Health care providers have been placed into one of four cost levels. The cost level in which each provider is placed depends on the care system in which the provider participates and that care system’s total cost of delivering health care. Participants pay the least out-of-pocket costs when using cost level 1 or 2 clinics.

Clinics have changed cost levels for 2018. To check the cost level of your clinic, refer to the Advantage Clinic Directory on the SEGIP website at: mn.gov/mmb/segip.

To access, click on Open Enrollment tab. Then click on 2018 Advantage Clinic Directory or call your insurance carrier listed on page 25.

The amount of cost sharing that will be paid when using health care services varies depending on the cost level of the Primary Care Clinic that is chosen. **Primary Care Clinics in the cost levels 1 and 2 provide the best value with the lowest possible out-of-pocket costs.** Members in cost level 1 or 2 have annual out-of-pocket maximums set at the lowest amounts available under the plan: $1,200 for single coverage and $2,400 for family. Participants opting for coverage in a cost level 3 or 4 clinic will have higher out-of-pocket costs, as the delivery of care under these cost levels has higher costs. Participants in cost level 3 will share in their cost of care up to the out-of-pocket maximum of $1,600 single and $3,200 family. Participants using cost level 4 clinics will share in the cost of their care to a maximum of $2,600 single and $5,200 family. Once you’ve reached your annual out-of-pocket maximum, the Advantage Plan will pay all remaining medical costs allowed under the plan for that year.

**CVS/caremark will be the Pharmacy Benefits Manager for all participants of the Minnesota Advantage Health Plan** regardless of the carrier selected. Under the SEGIP plan, most drugs are covered under one of three tiers, regardless of the PCC selected. The formulary may be accessed at [www.caremark.com](http://www.caremark.com). The out-of-pocket maximum remains unchanged at $800 single and $1,600 family, regardless of the cost level of a participant’s Primary Care Clinic.

*The level of the office visit copay for the employee and his or her family is dependent upon whether the employee has completed the Health Assessment in each Open Enrollment period, and agreed to accept a health coach call. Employees who have completed the Health Assessment and accept a health coaching call are entitled to the lower copay. Employees hired after the close of Open Enrollment will be entitled to the lower copay. This chart applies only to in-network coverage. Point-of-Service (POS), coverage is available only for members whose permanent residence is outside the State of Minnesota and outside the service areas of the health plans participating in Advantage. This category includes employees temporarily residing outside Minnesota on temporary assignment or paid leave [including sabbatical] and college students. It is also available to dependent children and spouses permanently residing outside the service area. These members pay a $350 single or $700 family deductible and 30% coinsurance to the out-of-pocket maximum described in Section O above. Members pay the drug copay described at Section M above to the out-of-pocket maximum described at Section N. This benefit must be requested. A standard set of benefits is offered in all SEGIP Advantage Plans. There are still some differences from plan to plan in the way that benefits, including the transplant benefit, are administered, in the referral and diagnosis coding patterns of primary care clinics, and in the definition of Allowed Amount. Beginning in 2017, benefits for palliative care and for the treatment of autism have been added, and are fully described in the Advantage Summary of Benefits.*
Coordinated Plan (age 65 and over)

This is a BlueCross BlueShield of Minnesota Plan available for those who are:

- Age 65 and older.
- Enrolled in Medicare Parts A and B.
- Enrolled in Medicare Part D which is included with this plan.

Requires immediate completion and return of forms to the plan. There are two forms entitled, “Enrollment Form for State of Minnesota Coordinated Plan” and, “Group Medicare BlueRx (PDP).” Forms will be mailed directly to your home address.

General plan features

The Coordinated Plan is available in all Minnesota counties and worldwide.

As a member of the Coordinated Plan, you are free to choose any health care provider. However, when you use providers that participate with BlueCross BlueShield Plans (BCBS), your claims will be filed for you and the BCBS payment will be made directly to the provider. In addition, BCBS providers have agreed to accept the allowed amount as payment in full. You are only responsible for any deductible, coinsurance, and copays for eligible services.

Health care providers who do not participate with BCBS may charge more for services than the allowed amount. When you use a provider who does not participate with BCBS you are responsible for the deductible, copays or coinsurance and any eligible charges that exceed the allowed amount. You may also have to file your own claims.

Some deductibles specified in the Coordinated Plan are based on 2018 Medicare deductibles which are subject to change through action by the federal government for 2018. Be aware that such changes could take place without warning.

Inpatient admissions

Inpatient services:
- General hospital
- Skilled nursing facilities
- Mental health
- Chemical dependency

The Coordinated Plan will process at 80% of the first $3,000 of total eligible expenses, then 100% for a semi-private room up to 365 days, following your $200 annual deductible.

- Deductible: A deductible applies to the first $200.
- Coinsurance: After the $200 inpatient deductible, each participant is responsible for 20% of the first $3,000 ($600) of the total eligible expenses.
  Eligible expenses in excess of $3,000 each calendar year are covered at 100%.
- Inpatient services out-of-pocket maximum: $800 per participant per calendar year ($200 deductible plus 20% of the next $3,000).
Coordinated Plan *(age 65 and over)*

**Emergency services**

- After the Medicare Part B annual deductible, 100% coverage. The plan requires participants to pay the 2018 Medicare Part B deductible as indicated by Medicare (the Part B deductible is $183.00 for plan year in 2017 and is subject to change for 2018).

**Health care services**

There is an annual outpatient deductible for all medical (Medicare Part B) services. After the deductible is met, services will be covered as follows.

- **Preventive care:** 100% coverage. Preventive care is not subject to the deductible.
- **Physician services:** 100% coverage.
- **Eye and hearing exams:** One routine exam per calendar year. 100% coverage of the allowed amount. The Medicare Part B deductible does not apply.
- **Hospital outpatient and surgery center:** 100% coverage.
- **Outpatient mental health services:** 100% coverage.
- **Outpatient chemical dependency services:** 100% coverage.
- **Chiropractic services:** 100% coverage.
- **Physical, speech, and occupational therapy (in an outpatient hospital):** 100% coverage.
- **Home health care:** 100% of the Medicare-approved amount for medically necessary skilled care.

**Prescriptions and products**

**Prescription Drugs:** 30-day supply, including insulin.

- $10 copay for generic drugs.
- $30 copay for preferred brand drugs.
- $50 copay for brand name drugs.
- $50 copay for specialty.
- 25% coinsurance for supplemental drugs. These are certain classes of drugs not covered by Medicare.
- SEGIP Retirees pay the appropriate copay while in donut hole or gap. SEGIP Retirees do NOT pay a greater percent of drug costs while in donut hole.

- **Catastrophic prescription drug coverage:** If out-of-pocket expenses total $5,000 the prescription drug copay changes to the greater of 5% coinsurance or a $3.35 copay for generics (including brand drugs treated as generic) and $8.35 for other drugs for the remainder of the year.
- **Mail Order/Preferred Extended Supply:** (90-day supply). Generic Drugs - $20 copay, Preferred Brand Drugs - $60 copay, Non-Preferred Brand Drugs - $100 copay, Specialty Drugs - $100 copay.

**Prosthetics and durable medical equipment:**

- 100% coverage after the annual Medicare Part B deductible.
- **Hearing aids** 80% coverage for hearing aids and accessories every three years. Check your Certificate of Coverage for more information.

**Fitness Program**

- BlueCross Fitness Discount program
This is a HealthPartners Freedom Plan available for those who are:

- Age 65 and older
- Enrolled in Medicare Parts A and B
- Must enroll in Medicare Part D which is included with this plan.

**Requires immediate completion and return of forms to the plan. The form is entitled “2018 Freedom Group Plan (Cost) Enrollment Instructions for Group Enrollees.”** Forms will be mailed directly to your home address.

**General plan features**

Health care services are provided through the HealthPartners Freedom Plan network of physicians, clinics, pharmacies, and other health care providers. HealthPartners Freedom Plan is available in all Minnesota counties and some of the counties in western Wisconsin (listed on page 10 of this book).

The HealthPartners Freedom Plan has an open access network. You do not need to select a Primary Care Clinic and you may see any medical provider listed in the network without a referral.

To get the highest level of coverage, health services must be provided or arranged by a network physician except for emergencies, out-of-area urgently needed care, or as covered by the extended absence benefit. If you get routine care from out-of-network providers without activating your extended absence benefit, you will still be able to use your original Medicare benefits when obtaining care outside the plan’s network but will be responsible for Medicare deductibles, coinsurance, and any additional charges not covered by Medicare.

**Extended absence benefit**

- In-network benefits while you are outside of Minnesota in the United States for up to nine months annually.
- Must call HealthPartners to activate this benefit.

**Inpatient admissions**

- **General hospital:** $100 copay and then 100% coverage for unlimited days.
- **Skilled nursing facilities:** 100% coverage for rehabilitative care after 3 days prior hospitalization for up to 100 days per benefit period. You must meet current Medicare coverage requirements. Requires preauthorization by HealthPartners.
- **Mental health and Chemical dependency:** $100 copay and then 100% coverage for unlimited days.

**Emergency services**

- **In the HealthPartners Freedom service area:** $50 copay for emergency services. **100% coverage for ambulance service in the United States.**
- **Outside the HealthPartners Freedom service area:** $50 copay for emergency services. 80% coverage outside of the United States. **Ambulance Benefit:** Outside the United States 20% coinsurance for one-way (limited to ground ambulance to nearest appropriate facility).
- **New – all members have access to worldwide travel logistics** if medical care is needed at least 100 miles from permanent residence or in a foreign country.
HealthPartners Freedom Plan (age 65 and over)

Health care services

There is a $3,400 out-of-pocket maximum expense for health care services.

- **Preventive care:** 100% coverage.
- **Physician services:** 100% coverage after a $10 copay ($10 copay does not apply to nutritional therapy for diabetics).
- **Eye and hearing exams:** 100% coverage.
- **Hospital outpatient and surgery center:** 100% coverage.
- **Outpatient mental health services:** 100% coverage after a $10 copay; $5 copay for group therapy.
- **Outpatient chemical dependency services:** 100% coverage after a $10 copay.
- **Chiropractic services:** 100% coverage after a $10 copay.
- **Physical, speech, and occupational therapy:** 100% coverage for physical and occupational therapy. Speech therapy is 100% coverage after a $10 copay.
- **Home health care:** 100% coverage. Must meet Medicare guidelines.
- **Online Care:** You pay nothing for online care visits to virtuwell at virtuwell.com.
- **Foot orthotics:** 80% coverage.

Prescriptions and products

**Prescription drugs:** 30-day supply

- **$10 copay** for generic and preferred generic.
- **$30 copay** for preferred brand.
- **$50 copay** for non-preferred brand.
- **$50 copay** per prescription for specialty drugs.
- SEGIP Retirees pay the appropriate copay while in the donut hole or gap. SEGIP Retirees do **NOT** pay a greater percent of drug costs while in the donut hole.

- **Catastrophic prescription drug coverage:** If you reach the catastrophic level of $5,000, then the defined benefit will be the Part D level of $3.35 generic or preferred brand and the lesser of 5% or $8.35 for all other drugs but not higher than the initial coverage level benefit of $10 generic/$30 preferred brand/$50 non-preferred brand/$50 specialty.

- **Mail order prescription options:** $20 copay for a 90-day supply of formulary generic drugs; $60 for a 90-day supply of formulary brand name drugs.

Prosthetics and durable medical equipment:

- 90% coverage, **including test strips and syringes for people with diabetes.** (No more than a 90-day supply will be covered and dispensed at a time.)

- **Hearing Aid benefit:** 80% coverage for hearing aids and accessories every three years.

Fitness Program:

- **Silver & Fit at no cost**
UCare for Seniors (age 65 and over)

This plan is available for those moving from PreferredOne to the UCare for Seniors Plan. This is for those who are:

- Age 65 and older.
- Enrolled in Medicare Parts A and B.
- Enrolled in Medicare Part D which is included with this plan.

Requires immediate completion and return of forms to the plan. The form is entitled, “UCare for Seniors Group Enrollment Request Form.” Forms will be mailed directly to your home address.

General plan features

Health care services are provided through UCare for Seniors’ network of physicians, clinics, pharmacies, and other health care providers. UCare for Seniors is available in all counties in Minnesota and 26 western Wisconsin counties listed on page 10 of this booklet.

Referrals are not needed for specialty care. UCare also provides coverage for services obtained outside the UCare for Seniors’ network. This coverage is offered at a reduced benefit level.

As a UCare for Seniors member, you select the clinic of your choice. Family members may choose different clinics.

Point of Service

- Routine and non-emergency physician services outside of the UCare for Seniors’ network in the United States are covered at 80% to a maximum benefit of $100,000. The participant pays 20% to a maximum out-of-pocket of $20,000 for eligible expenses per calendar year. The participant would be responsible for all charges above $100,000.

Inpatient admissions

- **General hospital:** 100% coverage after a $100 copay per admission.
- **Skilled nursing facilities:** 100% coverage for rehabilitative care up to 100 days. Must meet current Medicare coverage requirements. **No 3-day hospitalization stay required.**
- **Mental health:** 100% coverage, after a $100 copay per admission.
- **Chemical dependency:** 100% coverage.

Emergency/urgent care services

- In and out of area emergencies: $50 copay, 100% coverage thereafter. Copay waived upon hospital admission. Worldwide coverage.
- **Urgent care:** $20 copay, 100% coverage thereafter.
- **Ambulance:** 100% coverage after $100 copay

Glossary

**Advantage Value for Diabetes:** An insurance program that seeks to encourage use of an insurance care that will greatly impact participant’s health. Designed to remove financial barriers to care that will impact improved health outcomes.

**Allowed amount:** A set amount which an insurance company (often referred to as a plan) agrees to pay for a particular service or product provided by a doctor or health care provider. Under some plans, there may be a difference in the insurance company’s allowed amount and the health care provider’s fee for a particular service or product. In some of these cases, the insured person is responsible for paying the difference.

**Brand name drugs:** Prescription drugs that are sold under a trade marked brand name.

**Carrier:** An organization, such as an insurance company, that provides or administers programs that arrange for health, life or other insurance services. All of the companies that offer health, dental, life, and optional insurance plans through the State Employee Group Insurance Program may be called carriers.

**Certificate of Coverage:** A document available to plan participants describing details of coverage. Insured plans call this a certificate of coverage and self-insured plans call this a summary of benefits.

**Coinsurance:** This is a percentage of the cost that is charged for certain services after the deductible has been paid. For example, a coinsurance level of 90% means that the member first pays the deductible, then the plan would pay 90% of the costs and the member would pay the remaining 10% of the costs. Once the employee costs reach the out-of-pocket limit, the plan would pay all costs for the rest of the plan year.

**Copay:** A flat dollar amount that is charged every time a service is provided. For example, under Advantage, members will be charged an office visit copay for most visits to the doctor’s office. (Copays will not be charged for preventive care under Advantage, such as immunizations, annual check-ups, etc.)

**Creditable Coverage:** Prescription drug coverage that is on average at least as good as the standard Medicare prescription drug coverage.

**Deductible:** An annual amount that must be paid each year before the plan starts paying for services. A “$250 deductible” for example, means that the member would pay the first $250 per year for certain services before the plan would begin covering the cost of services.

**Dependent:** Generally, the spouse/children of a covered person, as defined in the insurance policy or plan.

**Effective date:** The date on which an insurance policy or plan goes into effect and coverage begins.

**Eligible expenses:** Medical expenses for which a health plan will provide benefits. Some health providers may charge more than what an insurance plan considers eligible. In these cases, the covered person is responsible for paying the additional costs.
Family coverage: Health insurance for the retiree and one or more eligible dependents.

Formulary: A drug formulary is a listing of preferred high-quality, cost-effective drugs selected by a professional committee of physicians and pharmacists.

Generic: A drug that has been on the market long enough that no single manufacturer has an exclusive right on making and marketing.

Health Reimbursement Arrangement (HRA): This is an employer funded account that reimburses participants for certain medical-dental expenses not covered under the health plan.

In-network: The group of health care providers with whom a plan has contracted to provide services to members of the plan. Networks may change during the year, so ask if a provider is still participating with your plan before you seek services.

Medicare: The federal government’s plan for paying certain hospital and medical expenses for those individuals who qualify and are enrolled in the Medicare plan, primarily those 65 and over. Benefits are provided regardless of income level. The program is government-subsidized and government-operated.

Medicare Part A: Medicare Part A, hospital insurance, pays for inpatient hospital services and post-hospital care.

Medicare Part B: Medicare Part B, Supplementary Medical Insurance, pays for medically necessary doctors’ services, outpatient hospital services, and other medical services and supplies not covered by Part A.

Medicare Part D: Medicare Part D pays for prescription drug coverage for qualified Medicare beneficiaries.

Open Enrollment: The period during which participants in the State Employee Group Insurance Program have an opportunity to change from one plan to another.

Out-of-pocket costs: Fees and charges that an insured person is required to pay for products or services.

Outpatient services: Treatment that does not require hospitalization.

Over the Counter (OTC): a class or group of medications or durable medical goods used to alleviate or treat personal injuries or sickness.

The Patient Protection and Affordable Care Act (PPACA): A federal statute that was signed into law in the United States on March 23, 2010. The law includes numerous health-related provisions to take effect over a four-year period, including expanding Medicaid eligibility, subsidizing insurance premiums, providing incentives for businesses to provide health care benefits, prohibiting denial of coverage/claims based on pre-existing conditions, establishing health insurance exchanges, and support for medical research.
Preferred brand: A group of brand name drugs that the pharmacy benefit manager has selected to be the most effective for the price.

Preferred Provider Organization (PPO): A group of physicians and hospitals that contract with an insurance company to provide medical services.

Primary care: Routine medical care, normally provided in a doctor’s office, by an internist, family or general practitioner, obstetrician-gynecologist, osteopath or pediatrician.

Provider: A doctor, therapist, chiropractor or other licensed medical practitioner. A participating provider is a provider who contracts with a plan to provide services to members of the health or dental insurance plan.

Summary of Benefits: A document available to plan participants describing details of coverage. Insured plans call this a certificate of coverage and self-insured plans call this a summary of benefits.
Minnesota Management & Budget Notice of Collection of Private Data

Minnesota Management & Budget (MMB) administers the State Employee Group Insurance Program (SEGIP). This notice explains why SEGIP is requesting data about you, how we will use it, who will see it, and your obligation to provide it.

What data will we use? We will use the data you provide us at this time, as well as data previously provided us, about yourself and your spouse and dependent(s). We will use the data to administer existing programs, develop new programs, insure existing programs are effective and efficient, comply with both state and federal laws and regulations, and to process your enrollment requests. If you provide any data about you or your dependents that is not necessary, we will not use it for any purpose.

Why we ask you for this data? We ask for this data so that we can successfully administer employee benefits. This data is used to process your request to add, waive, or change coverage for yourself. The requested data helps us to determine eligibility, to identify you, and to contact you, your spouse, and dependents.

Do you have to answer the questions we ask? You are not required to provide the data requested. If you do not provide the requested data you may be unable to waive your state employee medical coverage.

What will happen if you do not answer the questions we ask? If you do not answer these questions, the insurance benefit transaction you requested for you, your spouse, dependent, or other insurance benefit transaction may be delayed or denied.

Who else may see this data about you and your spouse and dependents? We may give data about you, your spouse and dependents to your insurance carrier, SEGIP’s other representatives, vendors and actuary; the Legislative Auditor; the Department of Health; the Department of Commerce; and any law enforcement agency or other agency with the legal authority to have the data; and anyone authorized by a court order. The parents of a minor may see data on the minor unless there is a law, court order, or other legally binding instrument that blocks the parent from that data.

How else may this data be used? We can use or release this data only as stated in this notice unless you give us your written permission to release the data for another purpose or to release it to another individual or entity. The data may also be used for another purpose if Congress or the Minnesota Legislature passes a law allowing or requiring us to release the data or to use it for another purpose.
