

Overview of Changes in Project Costing

September 1, 2019

This overview contains information about changes to the Project Costing module with the SWIFT Limited Upgrade, including:

- Project Costing WorkCenter and Navigation Collections

Note: There may be some changes to this information since SWIFT Limited Upgrade testing is still in progress. **Questions?** Contact us at: SWIFT.project@state.mn.us.

Project Costing WorkCenter and Navigation Collections

You will have the option of working in the Project WorkCenter or one of the navigation collections.

- The Project WorkCenter provides a centralized place where you can access frequently used pages, queries, processes, and reports.
- The Navigation Collections bring together related tasks, activities, and processes.

View the Projects Costing Quick Start Guide to learn more about how the WorkCenter and Navigation Collections are organized.
