Overview of Changes in Receipts
September 1, 2019

This overview contains information about changes to the Receipts module with the SWIFT Limited Upgrade, including:

- Ease of Use and New Left Menu Options

Note: There may be some changes to this information since SWIFT Limited Upgrade testing is still in progress. Questions? Contact us at: SWIFT.project@state.mn.us.

Ease of Use and New Left Menu Options

The Receipts module offers a new look and feel with same the functionality. It will feel familiar to you.

- You can still readily select a purchase order to add a receipt.

- The new left menu provides an easy way to find, update and manage existing receipts using reports such as Partially Received POs and the Document Status reports.
