### Do I Register as a Bidder or Supplier or Payee?

Using the correct registration process is important to conducting business with the State of Minnesota. Choosing the incorrect option may delay the processing of your registration and result in missing out on a bidding opportunity or delaying of a payment and purchasing transactions.

- **Register as a Supplier** – Use this option to register with the State of Minnesota if you have been in contact with someone in the State and will be receiving a payment. Or, if you have been asked to register to receive a contract or purchase order from the State. The Supplier registration process collects the needed information for issuance of payments and purchasing documents. This process typically requires two days for review and activation of your account. **Questions on registering as a Supplier can be emailed to the MMB Supplier Help Line at [efthelpline.mmb@state.mn.us](mailto:efthelpline.mmb@state.mn.us)**
- **Register as a Payee** – Use this option to register with the State of Minnesota if you are an individual Payee (not a business), but you need a SWIFT Supplier ID to receive a payment from the State of Minnesota. The Payee registration process collects the needed information for issuance of payments. This process typically requires two days for review and activation of your account. **Questions on registering as a Payee can be emailed to the MMB Supplier Help Line at [efthelpline.mmb@state.mn.us](mailto:efthelpline.mmb@state.mn.us)**
- **Register as a Bidder** – Use this option to register with the State of Minnesota if you are interested in quickly bidding on a solicitation event available on the Supplier Portal. Registering as a bidder requires minimal information to be entered and does not require State review before allowing you to submit a bid. Registering as a bidder will allow you to select commodities or services (categories) you have an interest in providing to the State of Minnesota and you will receive email notifications when the selected categories are available for bidding. **Note:** if your company has been selected for an award, you will receive an email notification asking you to register as a Supplier. You will need to provide additional information, subject to verification by the State of Minnesota, to fully register your Bidder ID as a Supplier ID **before** you will be issued a purchase order or contract. This process typically takes two days for review and account activation before the purchase order or contract can be processed. **Questions on registering as a Bidder can be emailed to the Office of State Procurement at [osphelp.line@state.mn.us](mailto:osphelp.line@state.mn.us).**
