An overview of your dental benefits

This booklet describes the dental benefits for:
- Retirees
- Eligible former employees with disabilities

This booklet is designed to provide you with information about the State Employee Group Insurance Program (SEGIP) dental benefits that will be available for the next plan year. Use it during the Open Enrollment period to learn the details and costs of your dental coverage options and to sign up for the coverage you desire. After Open Enrollment, you’re encouraged to keep the booklet as a reference guide for your dental benefits.

For information about Open Enrollment, state retirees and former employees with disabilities may call the SEGIP Service Center at 651-355-0100 or 800-664-3597. Participants with hearing or speech disabilities can contact SEGIP using their preferred Telecommunications Relay Service. The Service Center is available Monday through Friday from 7:00 AM to 4:00 PM, October 4 – November 19, 2021 (our office will be closed Thursday, November 11, 2021 in observation of Veteran’s Day).

Eligibility

If you are a retiree or former state employee with a disability, you and your eligible dependents are able to continue your dental coverage, at your own expense, through SEGIP.

Caution: If you choose not to continue your dental coverage with SEGIP at any time, you and your eligible dependents will not be eligible to re-enroll in the SEGIP dental plans.

Current participants in SEGIP may change plans or carriers during a dental Open Enrollment period. For explanations of the different options available to retirees and former employees with disabilities, see page 3 under the Open Enrollment heading.

Important Plan Note

The descriptions in this book are meant only to highlight the benefits provided by each carrier. Please refer to the Summary of Benefits for a complete description of all benefits and exclusions. If there are any differences between this document and the plan’s Summaries of Benefits, the Summary of Benefits will govern.

The state expects to continue the State Employee Group Insurance Program (SEGIP) indefinitely. However, the state reserves the right to change or discontinue all or any part of the program, consistent with the state’s rights and obligations under law and collective bargaining agreements.
State Dental plan administrators available

The following alphabetical listing shows the dental plan administrators available to you through the State Employee Group Insurance Program for 2022.

- Delta Dental – Group 216
- HealthPartners

Both State Dental Plans, Delta Dental - Group 216 and HealthPartners are available in all Minnesota counties.

Premiums

You pay the full cost of dental coverage for yourself and your eligible family members. The monthly cost varies on whether you cover yourself only or yourself and other eligible family members. Premiums are remaining the same for plan year 2022.

Remember to update your auto payment amount if you are using a monthly automated payment system through your bank beginning in January for the updated premiums.

Open Enrollment

The Open Enrollment period for the 2022 dental plans is **October 28, 2021 – November 17, 2021.**

Please note that you and your family members cannot enroll with different dental plan administrators.

Check with your plan administrator during Open Enrollment to see if your provider will be in the network for the new insurance year. Please note, current participation does not guarantee availability through the term of this dental contract. If your current carrier will be available to you and you do not want to change your dental carrier for 2022, you do not need to take any action.

The new plan period is January 1, 2022 through December 31, 2022. Your current coverage remains in effect through December 31, 2021.

**Retirees may:**
- Change plan administrator
- Terminate covered dependents

**Retirees may add eligible dependents:**
- Within 30 days of becoming newly married
- Within 30 days of their dependent losing other group dental coverage

**Former eligible employees with disabilities may:**
- Change plan administrator
- Add eligible dependents
- Terminate covered dependents

Participants are advised to ensure any added dependents meet eligibility requirements. Dependent eligibility can be found on the SEGIP website at mn.gov/mmb/segip. Following Open Enrollment, you will be required to provide documentation to verify the status of your dependent.

You DO NOT have to return forms if you want to keep the dental plan you have now.

To change dental plans:
1. **Review the lists of in-network providers** available on the SEGIP website or call the carrier to ask if your dentist is part of the in-network provider group.
2. **Review the plan design** and 2022 premium rates on page 2.
3. **Remove and complete the enrollment form** on page 8 of this booklet and mail it directly to the plan you choose. The envelope must be postmarked by midnight, November 17, 2021. Addresses are listed on page 6.
4. **Promptly notify your current carrier of cancellation** of the change by completing the cancellation form on page 10 of this booklet and mailing it directly to the plan you are cancelling.
Plan Highlights

The State Dental Plan offers two dental plan administrators. HealthPartners and Delta Dental - Group 216. Benefits in both groups are similar, but there are some differences in the way benefits are administered. The annual maximum benefit is $2,000.

Dental Plan Features

Your SEGIP dental plan offers the following benefits:

Comprehensive Coverage
The SEGIP dental plan provides comprehensive coverage that includes many preventive services such as periodic examinations, x-rays, and cleanings. The plan also provides coverage for basic restorative and major services like fillings, restorative crowns, root canals, implants, and extractions. Review the plan’s Summary of Benefits, available on the SEGIP website for detailed information on frequency and limitations of covered services.

Provider Networks
Each SEGIP dental plan offers a network of dental providers. Using an In-network dentist provides you the highest level of coverage available. If using an Out-of-network provider, you will not receive the highest level of benefits or you may not receive any benefit at all.

Provider networks are available at mn.gov/mmb/segip.

Predetermination of Benefits
When services other than preventive care are recommended, ask your dentist to submit a request for a predetermination of benefits or pre-estimate to your plan. This provides a guide for you to understand the approximate amount your plan will pay and the amount that you are responsible for.

Transition of Care
There are some differences in the benefits and the administration of the benefits between the two dental plans the state offers. If you or your dependents are undergoing dental treatment that will extend into the next plan year and are considering changing plans, call your new plan to understand how this will affect your dental benefits. This particularly pertains to orthodontia treatment.
# Dental Schedule of Benefits for 2022

**Annual Maximum** per person $2,000 (does not apply to Preventive Care or orthodontia).

**Orthodontics Lifetime Maximum** per person $3,000 (does not start over if you change dental plans).

Glossary

Deductible: The amount that a covered person must pay before the insurance plan covers a benefit. The deductible renews each plan year. Some plans have separate deductibles for specific services, such as Out-of-network provider services.

Dependent: Generally, the spouse and children of an insured person, as defined in the insurance policy or plan. Verification or documentation of the legal relationship is required when requested.

Effective Date: The date on which an insurance policy or plan goes into effect and coverage begins.

Family Coverage: Dental insurance for the retiree or former employee with a disability and all eligible dependents (family can be one or more than one dependent).

In-Network: The group of dental care providers with whom a carrier has contracted to provide services to members of the plan. Networks may change during the year, so ask if a provider is still participating with your carrier before you receive services.

Open Enrollment: The period during which participants in the State Employee Group Insurance Program have an opportunity to change from one plan or carrier to another.

Provider: A dentist or other licensed dental practitioner who provides dental services. A participating provider is a provider who contracts with a carrier to provide services to members of the dental insurance plan.

Summary of Benefits: A document, available to participants, describing details of coverage. Insured plans call this a certificate of coverage and self-insured plans call this a summary of benefits.
Exclusive Retiree Open Enrollment Meetings

It is not necessary to register to attend. Meetings will begin with a one-hour presentation and time following for questions. All presentations will be conducted via WebEx, similar to last year.

Exclusive Retiree WebEx Meetings

No pre-registration is required. Please contact SEGIP with any questions about these meetings.

Notice of Collection of Private Data

Minnesota Management & Budget (MMB) administers the State Employee Group Insurance Program (SEGIP). This notice explains why SEGIP is requesting data about you, how we will use it, who will see it, and your obligation to provide it.

**What data will we use?** We will use the data you provide us at this time, as well as data previously provided us, about yourself and your spouse and dependent(s). We will use the data to administer existing programs, develop new programs, ensure existing programs are effective and efficient, comply with both state and federal laws and regulations, and to process your enrollment requests. If you provide any data about you or your dependents that is not necessary, we will not use it for any purpose.

**Why we ask you for this data?** We ask for this data so that we can successfully administer employee benefits. This data is used to process your request to add, waive, or change coverage for yourself. The requested data helps us to determine eligibility, to identify you, and to contact you, your spouse, and dependents.

**Do you have to answer the questions we ask?** You are not required to provide the data requested. If you do not provide the requested data, you may be unable to waive your state employee medical coverage.

**What will happen if you do not answer the questions we ask?** If you do not answer these questions, the insurance benefit transaction you requested for you, your spouse, dependent, or other insurance benefit transaction may be delayed or denied.

**Who else may see this data about you and your spouse and dependents?** We may give data about you, your spouse and dependents to your insurance carrier, SEGIP’s other representatives, vendors and actuary; the Legislative Auditor; the Department of Health; the Department of Commerce; and any law enforcement agency or other agency with the legal authority to have the data; and anyone authorized by a court order. The parents of a minor may see data on the minor unless there is a law, court order, or other legally binding instrument that blocks the parent from that data.

**How else may this data be used?** We can use or release this data only as stated in this notice unless you give us your written permission to release the data for another purpose or to release it to another individual or entity. The data may also be used for another purpose if Congress or the Minnesota Legislature passes a law allowing or requiring us to release the data or to use it for another purpose.
