

## Office Memorandum

**Date:** December 9, 2022

**To:** HR Directors and Designees, SEMA4 HR and Payroll Users

**From:** Dori Leland, Enterprise Director, Employee Classification and Compensation

**Subject:** **Performance Based Salary Increases: Commissioner's Plan, Medical Specialists' Addendum to the Commissioner's Plan, and Managerial Plan**

This memo provides details and instructions for processing performance-based salary increases effective December 21, 2022, for employees covered by:

- Commissioner's Plan
- Medical Specialists' Addendum to the Commissioner's Plan
- Managerial Plan

For Fiscal Year 2023, performance-based increases allowed by these plans are capped at 3.5%.

Agencies are responsible for reviewing the appropriate plans, evaluating eligibility, and subsequently updating employee pay rates accordingly.

Employees covered under these Plans, regardless of Appointment Type and Employment Status, are eligible for a salary increase if they meet the following criteria:

- 1) The employee must be covered by the plan on the day before the salary increase is granted;
- 2) The employee must have documented satisfactory or better performance; and
- 3) Their rate of pay is below the maximum of their salary range.

In no case should a salary increase result in a rate above the maximum of the employee's salary range.

Note: Calculate salary increases using the employee's hourly rate, not the annual rate. Enter these performance-based increases no later than December 30, 2022, in order for the pay increases to be reflected on the January 13, 2023 paycheck.

**Trainee assignments:** During the week of December 26, agencies will receive separate instructions and a list of employees in trainee assignments covered by these plans.

### **Commissioner's Plan Performance-Based Salary Increase Effective 12/21/2022**

For eligible employees, add a row with an effective date of 12/21/2022 and action / reason

**Pay Rate Change / PRF** (Increase Based on Performance). Update any rows with effective dates greater than 12/21/2022 accordingly and add a note to explain the update.

## Managerial Plan and Medical Specialists’ Addendum to the Commissioner’s Plan Performance-Based Salary Increase Effective 12/21/2022

Salary increases under the Managerial Plan and Medical Specialists’ Addendum to the Commissioner’s Plan may be in the form of an adjustment to the base salary rate, a lump sum, or a combination of both, but not result in a base salary rate above the range maximum for the employee’s job class.

For eligible employees, add a row with an effective date of 12/21/2022 and action / reason **Pay Rate Change / PRF** (Increase based on Performance). Add a note to indicate that this row is for the performance-based salary increase. Update any rows with effective dates greater than 12/21/2022 accordingly and add a note to explain the update.

If the salary increase includes a lump sum payment, coordinate with your agency payroll staff. Mass Time Entry earn code INS – Contract/Plan Lump Sum should be used when processing payroll for the PPE January 3, 2023. For questions regarding payroll processing, contact [Statewide Payroll Services](#).

**The lump sum option is *not* available for Commissioner’s Plan employees.**
