

# NATIONAL PAYROLL WEEK 2022

## September 5-9

Minnesota Management & Budget, Statewide Payroll Services, salutes the payroll staff at all State of Minnesota agencies. Through these complicated times, you have exceeded expectations and continue to pay approximately 54,500 state employees every two weeks, accurately and on time. And over 99% are paid by direct deposit. Your efforts are appreciated!

---

National Payroll Week, September 5-9, 2022, celebrates America's employees and the payroll professionals who pay them. Together through payroll withholding, we contribute, collect, report, and deposit 70% of the U.S. Treasury's annual revenue, about \$2.4 trillion per year.

### **BUILDING BLOCKS OF AMERICA**

Through Payroll Contributions, Everyone is Building Toward the Future.
